Beck, 2020-06-15 The Bible tells the story of God meeting real people in a real time and place yet we rarely take the time to wonder Why there Maybe we have a hard time even picturing where there is To begin to fully understand the Bible we must understand the geographical settings of Scripture and how each place participates in the biblical story With its colorful maps The Basic Bible Atlas helps us link geography to Bible study so we can understand how place impacted events in the Bible From Eden to Egypt from the promised land to Persia from Bethlehem to the New Jerusalem The Basic Bible Atlas is a fascinating guide to the land of the Bible Your Bible study will never be the same **The Baker Book of Bible Charts, Maps, and Time Lines** John A. Quintern presents a compelling defense of postmillennialism a theological view that Christ's reign has already begun and is advancing throughout history Challenging popular end times scenarios of decline Quintern argues from a biblical and historical basis that the kingdom of God is progressively expanding through the global spread of the gospel Drawing on scholars like Kenneth Gentry and Keith Mathison he shows how the Scriptures depict a victorious ever growing Christian influence culminating in Christ's return and the final renewal of creation This book is ideal for students of Scripture church leaders

and anyone seeking an optimistic and well reasoned perspective on God's plan for history and the future      **New Testament Survey** Robert G. Gromacki,2008-08-01 Before coming to grips with an individual verse or passage in the New Testament Bible students and expositors must understand how it relates to the theme of the book This nontechnical survey offers readers a working understanding of the New Testament by providing the theological tools necessary to synthesize biblical passages into themes It incorporates historical and cultural backgrounds without becoming a book on manners and customs and deals with the actual text of Scripture without becoming a verse by verse commentary Pictures charts and outlines aid comprehension This classic text which has served students well for many years is now available in paperback

Mountaintop Theology Larry R. Helyer,2016-08-26 Mountaintop Theology invites the reader to revisit biblical events that occurred on the slopes or summits of mountains Employing the disciplines of historical geography and biblical theology Helyer probes the theological truths underlying these mountaintop experiences The intent is to gain a fresh perspective on the defining doctrines of evangelical faith      *Unlocking the Scriptures* Hans Finzel,2013-04-13 This updated classic leads the reader through the inductive Bible study process showing practically how to study the Bible for one's self With this tool Christians can learn to relevantly apply God's Word to their lives as His Spirit leads them personally rather than as some other leader might direct Originally published in 1986 Finzel's style remains very accessible providing practical examples that walk the reader through the steps of unpacking Scripture using actual passages to practice Free downloadable study guide and activities      **A Study Guide in Bible-land History and Geography** ,2006
