Balogun And Hope Hailey Exploring Strategic Change Full Online:

Exploring Strategic Change Julia Balogun, Veronica Hope Hailey, 2004 The second edition of Exploring Strategic focuses on the implementation of organisational change and the management of organisational transitions It seeks to move beyond the formulation of strategy by taking the planning stage through to implementation The first half of the book introduces a framework the change kaleidoscope which can be used to develop the most appropriate implementation approach for a particular organisational context The second half of the text focuses on managing the transition Representing a departure from the notion that change management can be a formulaic and linear process Exploring Strategic Change approaches the topic with originality by focusing on the fundamental importance of context specific analysis The text takes the reader through the change process from the examination of context and the diagnosis of needs through the stages of transition and transference to a tangible reality Practical examples and illustrations apply the concepts to actual organisational change issues The reader is encouraged to develop their change judgement the ability to understand what is critical about a certain change context and therefore what is and is not possible as part of an implementation approach Ideally suited for upper level undergraduate and postgraduate students on HRM and Strategy based modules covering the management of change Published in the Exploring Corporate Strategy series the book can be used either as a stand alone text or as a complement to other titles in the series

The Management Shift V. Hlupic, 2014-10-29 Research shows that corporate life expectancy and performance have declined 75% in the last 50 years organizations need a different approach if they are to survive let alone thrive While people are often stated as a company s greatest asset few businesses have a clear model of leadership that improves engagement removes barriers to innovation and uncovers hidden strengths in people and the organization This book addresses that need and more importantly demonstrates HOW organizations can make The Management Shift to a new way of thinking and working Professor Hlupic argues that organizations now need to adopt a leadership style that focuses on people purpose and knowledge sharing creating new types of value and ultimately improving innovation and engagement leading to improved business Based on leading edge research supported by numerous case studies which demonstrate the power and impact of change The Management Shift offers managers a practical and systemic approach to diagnose leadership issues in their organization It then provides an implementation process to shift their mindset and organizational culture to the new level of thinking performance and ultimately business success
