*God's Big Story Begins* Kim Mitzo Thompson, Karen Mitzo Hilderbrand, 2026-03-12 God's BIG Story Begins invites children into the sweeping powerful story of the Old Testament where the world is created promises are made miracles unfold and ordinary people trust an extraordinary God Written in clear engaging language for young readers this beautifully retold collection introduces foundational Bible stories in a way that is both faithful to Scripture and deeply personal for children From the wonder of Creation and the Garden of Eden to Noah's ark and God's rainbow promise children discover that God is the perfect Creator who keeps His Word They will meet courageous heroes like Moses at the burning bush Joshua at Jericho brave Queen Esther and young David facing Goliath They will learn about forgiveness through Joseph loyalty through Ruth perseverance through Job obedience through Jonah and unwavering faith through Daniel in the lions den Each story concludes with a simple powerful truth reminding children that God is faithful mighty forgiving protective and always with them Perfect for bedtime reading family devotions Sunday school or Christian classrooms God's BIG Story Begins helps children see that the Bible is one grand story of God's love and faithfulness Through unforgettable characters and life changing lessons young hearts will understand that the same God who guided His people long ago is guiding them today

Starting or Improving Your Business Ronald J. Plachno, 2020-01-20 Starting or Improving Your Business is written to help those people just starting a business or who already in one and wish to improve it It is based on my almost 50 years in industry in large companies that I have worked for and in small companies that I have started While no book can guarantee that you can get rich this book tries to mostly contain warnings of what to look for how to plan or what to avoid No book ever covers anything but it is my belief that this book covers some very important items for business that include both the very large businesses and the very tiny startups There are just some of us that seem to have the word entrepreneur in our blood regardless of how successful or not we become There seems to be that challenge to business to overcome the difficulties and then succeed that seems not only good for us but may also be fun at the same time And even if we do just a bit the satisfaction of trying something hard and accomplishing some of our goals makes some of us feel better about ourselves And of course our accomplishments may help others as well The book includes some generalities that I have found along the way And the book also includes some specific examples from the three large firms that I worked at and also the more than 5 business startups that I attempted Even if your business is different some days it seems to me that there is often more the same than there is that is different from business to business That might explain the popularity of Small Business Associations which at times I was a part of Whether or not you decide this book may have something important to you if you are trying to start or improve a business I do wish you the very best I also wish that you also find some fun in doing that along the way

*101 Internet Businesses You Can Start from Home* Susan Sweeney, Kara Sweeney, 2010 In a freshly updated third edition this invaluable resource takes an in depth look into the new American dream running ones own e
