Bermuda Triangle Mystery - Solved Larry Kusche,1995-04-01 The mystery of the Bermuda Triangle had been told and retold in books magazine articles and on television and radio talk shows for several years when in 1972 Larry Kusche then a reference librarian decided to collect all the information he could find on each incident He made contact with the Coast Guard the Air Force Lloyd s of London and many other agencies He obtained microfilm copies of newspapers from cities where various incidents had been reported This exhaustive research had an unexpected result it solved the mystery It also resulted in the publication of *The Bermuda Triangle Mystery Solved* which is now back in print Larry Kusche s book is more than an investigation of a mystery it is a fascinating case history of a manufactured mystery in the making It shows how over the years the raw materials of official accident reports newspaper accounts articles in the mainstream press and word of mouth have been assimilated into a false mystery
