

No. we went on a drive and got kind of drunk first. Every time he would stop to pee he would put his hand down my pants and run his finger from my pussy to my clit. He'd get back in the pick up and keep driving. He only touched me when we stopped. So of course I was super wet by the time we got back to his house.

I love that he was feeling you up like that! I def know what it does to your pussy. What happened when you got back to his house?

He made me instantly get in front of the couch and get on my knees while he undid his pants
