has no do overs If you have screwed up your family relationships you are stuck with it Own it and embrace it Your life will be better for it Angry emotions make you stupid Don t believe it Read what happened to Troy Alfeo when he interacted with his children under a dark cloud of rage Your anger will alienate you from everyone Put simply people will not want to be around you and they may even eventually come around to hate you You might even get fired from your job That happened to Troy Alfeo too Did you even love your wife No Is that why you were angry When did the emotional distance between you and your spouse begin Do you know Do your children hate you now How do you fix and change that Why divorce is the worst thing that could ever happen to your children So avoid it Coping strategies to include developing a life of meaning and finding love again Solutions for today that you wished you had known about yesterday 118 *Exercise and Physical Activity* R.
