powerfully in the apparition of Beloved whose eyes are expressionless at their deepest point whose doomed childhood belongs to the hideous logic of slavery and who as daughter sister and seductress has now come from the place over there to claim retribution for what she lost and for what was taken from her Sethe's struggle to keep Beloved from gaining full possession of her present and to throw off the long dark legacy of her past is at the center of this profoundly affecting and startling novel But its intensity and resonance of feeling and the boldness of its narrative lift it beyond its particulars so that it speaks to our experience as an entire nation with a past of both abominable and ennobling circumstance In Beloved Toni Morrison has given us a great American novel Toni Morrison was awarded the 1988 Pulitzer Prize in Literature for Beloved
