K. Mullins,Brief Concise and to the Point Publishing,2014-07-09 This is not The One Nation Book This is a summary of The One Nation Book It provides a detailed and concise description of the books content key ideas and facts In One Nation What We Can All Do to Save America s Future Ben Carson and his wife Candy Carson describe the problems which the nation faces today as well as Carson s ideas about how these problems should be solved The book uncovers various forces that persistently try to pull Americans away from each other These forces divide people and toughen their own grip of power at the same time They build divisions based on race gender education age and income In his book Ben Carson stresses that Americans have allowed the U S government to grow so large and powerful that many political leaders in the U S have moved away from representing and more towards monitoring and dictating people s lives Our financial future has moved into the hands which are not our own As far as authority is concerned we the people have become secondary A plea to Americans of differing views to seek unity through mutually respectful dialogue represents one of the main ideas of One Nation Such a dialogue is not easy to achieve because the political correctness police PCP muzzles the convictions of Americans Self interested groups intend to drive apart Americans so that Americans would remain involved in the never ending divisive hate war Americans need to work together and figure out what and who hides behind these games Book summaries published by
