twenty five hundred years ago when the master teacher emerged from his long silence to illuminate for his followers the substance of humankind's deepest and most abiding concerns. The nature of the self, the value of relationships, the importance of moment to moment awareness, the destructiveness of anger, the suffering that attends attachment, the ambiguity of the earth's beauty, the inevitability of aging, the certainty of death, these dilemmas preoccupy us today as they did centuries ago. No other spiritual texts speak about them more clearly and profoundly than does the Dhammapada. In this elegant new translation, Sanskrit scholar Glenn Wallis has exclusively referred to and quoted from the canonical suttas, the presumed earliest discourses of the Buddha, to bring us the heartwood of Buddhism, words as compelling today as when the Buddha first spoke them. On violence: All tremble before violence. All fear death. Having done the same to yourself, you should neither harm nor kill. On ignorance: An uninstructed person ages like an ox; his bulk increases, his insight does not. On skillfulness: A person is not skilled just because he talks a lot. Peaceful, friendly, secure, that one is called skilled. In 423 verses gathered by subject into chapters, the editor offers us a distillation of core Buddhist teachings that constitutes a prescription for enlightened living even in the twenty-first century. He also includes a brilliantly informative guide to the verses, a chapter-by-chapter explication that greatly enhances our understanding of them. The text, at every turn, points to practical applications that lead to freedom from fear and suffering toward the human state of spiritual virtuosity known as awakening. Glenn Wallis's translation is an inspired successor to earlier versions of the suttas. Even those readers who are well acquainted with the Dhammapada will be enriched by this fresh encounter with a classic text. **The Dhammapada** Acharya

The Dhammapada is a well-known book in the Tipitaka. It is a collection of the teachings of the Buddha expressed in clear, pithy verses. These verses were culled from various discourses given by the Buddha in the course of 45 years of his teaching as he travelled in the valley of the Ganges, the Ganga, and the sub-mountain tract of the Himalayas. They are often terse, witty, and convincing. Through them, the Buddha exhorts one to achieve that greatest of all conquests: the conquest of self to escape from the evils of craving, aversion, and ignorance and to strive hard to attain freedom from the round of rebirths. Each verse contains a truth, dhamma, an exhortation, a piece of advice. Summaries of the Dhammapada stories are given in the second part of the book, as it is generally believed that the Dhammapada Commentary written by Buddhaghosa, 5th century AD, is helpful in understanding the Dhammapada. Three hundred and five stories are included in the Commentary. Most of the incidents mentioned in the stories took place during the life time of the Buddha.
