

A circular arrangement of five stylized human figures in various colors: blue, dark blue, pink, orange, and green. Each figure is composed of a solid-colored head and a two-toned body. The figures are positioned around the text, with the blue figure at the top left, dark blue at the top right, pink at the middle right, orange at the bottom right, and green at the bottom left.

**On the Facilitation of the Academy** Elias Westergaard, Joachim S. Wiewiura, 2015-03-17 The academy is not restricted to the architectural limits of the university but a broader conception of education that through its social dissemination ought to be continually shaped in relation to academic practice thinking and living Educational institutions are not solely modern providers of a pertinent workforce but foremost communities of thought with cultural political and social importance On the Facilitation of the Academy is thus concerned with educational issues that cohere but also quarrels with the university institution today as the highest institutionalised place for learning The contributors in this volume consider practices of learning teaching and knowledge acquisition in academic environments It challenges educational issues in relation to conversation discourse and tradition as

well as contains contributions on threshold concepts knowledge production and dangerous thinking Belonging to a variety of academic orientations philosophy educational theory psychoanalysis communication studies the authors in this volume offer different takes but share similar features and aspects on the worries that should occupy academe today To Improve the Academy Judith E. Miller, 2010-10-18 An annual publication of the Professional and Organizational Development Network in Higher Education POD To Improve the Academy offers a resource for improvement in higher education to faculty and instructional development staff department chairs faculty deans student services staff chief academic officers and educational consultants Which Way Now? Andrew Mellor, 1995 Five years have elapsed since bullying started to be seriously addressed in Scottish schools In that time central government has funded materials and the appointment of a national anti bullying development officer to assist local authorities and schools in developing effective strategies Within a national framework local authority initiatives and schools have adopted diverse approaches This report documents the progress made across the country bringing together local and national initiatives The information contained in the report has been drawn from a number of sources questionnaires sent in September 1994 to education authorities and to teacher training institutions documents prepared by education authorities schools and individuals and data collected by the Scottish Council for Research in Education SCRE during the course of its anti bullying development work and by the Anti Bullying Development Officer The focus is on policy training and support from within the educational system Central government local government school and teacher education institutions have all worked to raise awareness of the problems of bullying and to put in place ways of dealing with it This report will enable those striving to create an anti bullying culture in schools to draw on experience of others It sets out to inform the debate as to how to embed anti bullying strategies securely into the fabric of the educational system Chapters are Sharing the Past and the Future Summary Understanding the Anti Bullying Process The Role of the SOED Scottish Office Education Department Nationwide Themes and Strategies A Tour of Local Authority Action Input from the Teacher Education Institutions Anti Bullying and the Independent Sector and Future Action Appendixes describing anti bullying programs resources and actions account for about one fifth of the document Contains 62 references
