Personal Finance Jack R. Kapoor, Les R. Dlabay, Robert James Hughes, 1996. Financial planning for life from career strategies and consumer credit to investments and taxes to retirement and estate planning. This handbook covers everything for making those all important decisions.

155 Questions Intending Spouses Must Ask Each Other Before Marriage Daniel Aweda. This book 155 Questions Intending Spouses Must Ask Before Marriage is a prophetic practical manual for building a God-centered covenant, not just a contract. It confronts the crisis of assumption, urging couples to replace romantic fantasy with biblical truth through courageous, Spirit-led conversation. The core thesis is that marriage is a divine covenant where transparency is an act of worship. Ignorance destroys revelation; protects and prepares. The 155 questions are surgical tools, not a checklist designed to uncover the full truth of a partner's spiritual life, family background, health, finances, emotional health, past relationships, and moral history. The process is framed as a spiritual pilgrimage. Couples are guided to create a safe space, bathe every conversation in prayer, and seek godly counsel, especially when answers reveal red flags. The goal is discernment, distinguishing between burdens to carry together and deal-breaking patterns of unrepentance. The book culminates in crafting a Shared Covenant Vision Statement, a unifying document for the marriage's mission, and insists on structured pre-marital counseling as a non-negotiable step of humility and wisdom. Ultimately, it's a call to build a marriage that withstands storms and glorifies God, founded on the rock of Christ and rigorous loving honesty.
