**Purpose:** This guide is not only a place to record notes as you read, but also to provide a place and structure for reflection and analysis using your noggin (thinking skills) with new knowledge gained from the reading. This guide, if **THOUGHFULLY completed (in its entirety)**, BOP (Beginning of Period) by the due date, can be used on the corresponding quiz as well as earn up to 10% bonus points. In addition, completed guides provide the student with the ability to correct a quiz for 15 points back! The benefits of such activities, however, go far beyond quiz help and bonus points. <

#### **Key Concepts FOR PERIOD 7:**

**Main Idea:** An increasingly pluralistic United States faced profound domestic and global challenges, debated the proper degree of government activism, and sought to define its international role.

**Key Concept 7.1:** Governmental, political, and social organizations struggled to address the effects of large-scale industrialization, economic uncertainty, and related social changes such as urbanization and mass migration.

**Key Concept 7.2:** A revolution in communications and transportation technology helped to create a new mass culture and spread "modern" values and ideas, even as cultural conflicts between groups increased under the pressure of migration, world wars, and economic distress.

**Key Concept 7.3:** Global conflicts over resources, territories, and ideologies renewed debates over the nation's values and its role in the world, while simultaneously propelling the United States into a dominant international military, political, cultural, and economic position.

*This Guide has a slightly different format from the guides you completed last semester, FYI!*
