The Bridge - From Science to God Richard Krauland,2025-07-22 If you believe in science then you will believe in God You just don t know it yet The fact is that during these past twenty five years or so scientists in the fields of Astronomy Astrophysics Chemistry Particle Physics Molecular Biology and Biotechnology Engineering have clearly developed the scientific evidence to prove God is real He is

present and He is aware of us Once you see this evidence and accept this truth then your life is in for some wonderful changes You will accomplish more than you ever thought was possible This will be much easier than you think You do not need to attend church There is no entrance exam No physical qualifications Nothing to memorize You do not need to discuss this with anyone There are no permissions required No forms to fill out No one else needs to even know This is between you and God The only thing stopping you is you And you can fix that starting right now If you believe in science and you don't believe in God then you must read this book If you believe in science and you do believe in God then you will love this book
