**Exhibiting Italian Art in the United States from Futurism to Arte Povera** Raffaele Bedarida, 2022-06-28 This volume explores how Italian institutions dealers critics and artists constructed a modern national identity for Italy by exporting literally and figuratively contemporary art to the United States in key moments between 1929 and 1969 From artist Fortunato Depero opening his Futurist House in New York City to critic Germano Celant launching Arte Povera in the United States Raffaele Bedarida examines the thick web of individuals and cultural environments beyond the two more canonical movements that shaped this project By interrogating standard narratives of Italian Fascist propaganda on the one hand and American Cold War imperialism on the other this book establishes a more nuanced transnational approach The central thesis is that beyond the immediate aims of political propaganda and conquering a new market for Italian art these art exhibitions publications and the critical discourse aimed at American audiences all reflected back on their makers they forced and helped Italians define their own modernity in relation to the world s new dominant cultural and economic power The book will be of interest to scholars working in art history social history exhibition history and Italian studies *The Power of Art* Caroline Campbell, 2024-01-02 An epic work of art history that will transform our understanding of the world by unlocking the human stories behind millennia of art Taking readers from ancient Babylon to contemporary Pyongyang the eminent curator Caroline Campbell explains art s power to illuminate our lives and inspires us to benefit from its transformative and regenerative power Unlike the majority of contemporary art history this book is about much more than the cult of artists personalities Instead each chapter is structured around a city at a particularly vibrant moment in its history describing what propelled its creativity and innovation The emotions and societies she evokes are highly recognizable revealing how great art resonates powerfully by transcending the boundaries of time **The Art and Politics of Asger Jorn** Karen

Kurczynski, 2017-07-05 A leading figure of the postwar avant garde Danish artist Asger Jorn has long been recognized for his founding contributions to the Cobra and Situationist International movements yet art historical scholarship on Jorn has been sparse particularly in English This study corrects that imbalance offering a synthetic account of the essential phases of this prolific artist s career It addresses his works in various media alongside his extensive writings and his collaborations with various artists groups from the 1940s through the mid 1960s Situating Jorn s work in an international post Second World War context Karen Kurczynski reframes our understanding of the 1950s away from the Abstract Expressionist focus on individual expression toward a more open ended conception of art as a public engagement with contemporary culture and politics Kurczynski engages with issues of interest to twenty first century artists and scholars highlighting Jorn s proposition that the sensory address of art and its complex relationship to popular media can have a direct social impact Perhaps most

significantly this study foregrounds Jorns assertion that creativity is crucial to subjectivity itself in our increasingly mediated Society of the Spectacle

**Procession** David Acton, Norman Lewis, 2015-11-13 This beautifully illustrated catalogue accompanies the first major museum retrospective of the painter Norman Lewis 1909 1979 Lewis was the sole African American artist of his generation who became committed to issues of abstraction at the start of his career and continued to explore them over its entire trajectory His art derived inspiration from music jazz and classical and nature seasonal change plant forms the sea Also central to his work were the dramatic confrontations of the civil rights movement in which he was an active participant among the New York art scene Bridging the Harlem Renaissance Abstract Expressionism and beyond Lewis is a crucial figure in American abstraction whose reinsertion into the discourse further opens the field for recognition of the contributions of artists of color Bringing much needed attention to Lewis s output and significance in the history of American art Procession is a milestone in Lewis scholarship and a vital resource for future study of the artist and abstraction in his period Published in association with Pennsylvania Academy of the Fine Arts Philadelphia Exhibition dates Pennsylvania Academy of the Fine Arts Philadelphia November 13 2015 April 3 2016 Amon Carter Museum of American Art Fort Worth June 4 August 21 2016 Chicago Cultural Center September 17 2016 January 8 2017
