

Upper Housing

Lower Housing

VLP Casting

VLP Casting

This valve body can be identified by the letters "VLP" cast into both the Upper and Lower Housing (see **RED ARROWS**), as well as the addition of a pressure sensor (see **BLUE ARROW**) and pressure solenoid (see **GREEN ARROW**).

From the outside of the transmission, you can identify the VLP style by looking for an additional 6 pin electrical connector located next to the range sensor connector.
