Jamie's Ministry of Food Jamie Oliver, 2008 The aim of this book is to completely inspire people who have no interest in food to have a go. Sixty years ago, food was in short supply and malnutrition rates were high. The Ministry of Food was set up to teach the public how to make the best use of the food available to them. Fast forward to the present day, where we have unlimited choices and plenty of food, yet we're living in a world of junk food, additives, and preservatives. Our war is now against obesity, as most people have little or no idea

about how to cook and what makes a balanced diet We need to learn from the past We need to look back at the way our grandmothers and great grandmothers cooked wholesome tasty food that was simple and quick to prepare Publisher details
