Balefire:

Balefire Star Black, 1999 In swift ruminations Star Black traces the hesitant silences that fall between desire and restraint Balefire the book's title alludes to a signal fire seen from a distance *Balefire* Kenneth William Goddard, Ken Goddard, 1984 Huntington Beach is a quiet haven that has become the scene of a series of brutal unexplained killings that have stunned the local citizens and confused and angered the police because the killings are aimed at them Because the murders aren't locals and it's not just one little town that's at stake but the security and peace of an entire nation

Legendary Locals of Huntington Beach Chris Epting, 2015-03-02 For over 100 years Huntington Beach aka Surf City USA has come to represent the true beach culture of Southern California Originally called Pacific City it was when railroad magnate Henry Huntington first ran his train line down in 1904 from Los Angeles approximately 40 miles north that the then quaint beach town took on the name that made it famous around the state and around the world In 1914 the legendary George Freeth put on a surfing exhibition the day the city's vaunted concrete pier was opened which christened Huntington Beach as a soon to be surfing mecca It became a boomtown after oil was discovered in 1920 and several decades later morphed once again into a cradle of aerospace engineering when companies such as Boeing arrived Throughout its tumultuous and dramatic history Huntington Beach has always boasted a cast of colorful and profound characters From the first mayor Ed Manning to Medal of Honor recipient Chris Carr from the Zamboni family who invented the ice cleaning machine to baseball star Jeff Kent the list is almost endless But it is not just professional athletes actors and rock stars it is the teachers crossing guards merchants and activists that give Huntington Beach its well earned reputation as one of the most interesting and charismatic cities in the state **Nothing Gold Can Stay** Mary J. Carter, 2023-10-02 On the northern
