register for and use Pearson's MyLab Mastering products. Statistics is essential for all business majors and this text helps students see the role statistics will play in their own careers by providing examples drawn from all functional areas of business. Guided by principles set by major statistical and business science associations ASA and DSI plus the authors' diverse teaching experiences, the Thirteenth Edition of Berenson, Levine, Szabat's *Basic Business Statistics* continues to innovate and improve the way this course is taught to all students. This program provides a better teaching and learning experience for you and your students. Here's how: Personalized learning MyStatLab™ provides users with countless opportunities to practice plus statistics-specific resources and tools that enhance their experience and comprehension. A real-life business approach grounds the statistics in everyday life, helping students see how the concepts they are learning apply to their future careers. Pedagogical help keeps students on track with the rest of the class and gives them the best framework for learning and understanding the statistical concepts.

*Books in Print*, 1994. [Basic Business Statistics](#) Berenson et al, 2010. By relating the concepts and applications of statistics to the functional areas of business, accounting, marketing, management, economics, and finance, this second edition of *BASIC BUSINESS STATISTICS* shows today's Australian business student how relevant statistics are to them and their future careers. The conversational writing style and streamlined design helps students with their comprehension of the concepts and creates a thoroughly readable and succinct learning resource. It also emphasizes the use of statistics to analyse and interpret data and assumes that computer software is an integral part of this analysis. The text features Excel and PhStat 2 and is supported by MathXL, which provides instructors with a rich and flexible set of course materials along with course management tools that make it easy to deliver all or a portion of your course online.

*Study guide and workbook, basic business statistics* David M. Levine, Mark L. Berenson, 1989. [Subject Guide to Books in Print](#), 1997. [Basic Business Statistics](#) Mark L. Berenson, David M.
