**Degree Programme in International Business (IB), Helsinki Pasila, full-time studies
Entrance examination example and information on evaluation**

The Degree Programme in International Business (IB) has a general structure and evaluation criteria for the entrance examination. This document is to provide information on the entrance exam.

The entrance exam to the IB programme consists of a written part and an interview. The below table presents an example of the structure and minimum and maximum points typically used in the examinations organized abroad:

Examination part	Minimum points	Maximum points
1. Multiple choice test based on written material available during the examination	4	10
2. Logical thinking and mathematics test	8	30
3. Writing test based on written material available during the examination	10	30
4. Interview	10	30
Total	32	100
English	Pass	Pass

The structure, contents and minimum and maximum points of the exam are subject to change. The total time for the written part of the exam is typically two hours.

Evaluation of the written parts

The multiple choice test and the logical thinking and mathematics test are evaluated wrong/correct per each question. The writing test (based on written material available during the exam) are evaluated on the content and the written expression.

The interview part of the exam

In the full-time programme the interview lasts typically 30 minutes. The interview is a group interview with four applicants and 1 - 2 interviewers, who provide discussion topics and questions for the applicants. The aim of the interview is to measure motivation and career orientation towards the programme studies, realistic expectations to complete the bachelor's studies and oral English language skills required in the programme.
