

A medieval-style illustration of a town square. In the foreground, a group of people in colorful, period-appropriate clothing are gathered around several pack animals, including horses and mules, which are laden with goods. Some people appear to be in conversation, while others are handling the animals. In the background, a dense cluster of multi-story buildings with various architectural styles, including domes and arched windows, rises up a hillside. The scene is set in a dusty, open square.
