Play Of Consciousness:

Play of Consciousness Swami Muktananda,1994 When Swami Muktananda traveled to the West he met with seekers in hundreds of small and large gatherings He answered questions on a vast array of topics which are arranged here in a sequence that traces the course of the spiritual journey from questioning the nature of our existence to meeting the Master and experiencing the results of initiation Baba Muktananda describes in detail the struggles with the ego the dwindling of ignorance as we open to grace and the sublime experiences that herald the approach of the final attainment and state of Self realization The chapters are punctuated by colorful and moving reminiscences of his own inner journey and of the time he spent with his Guru Bhagawan Nityananda

sense the attitude of her devotees towards her authority and the social character of the Tantric practitioners and the position of Bhakti It also figures out the position of women inside the Tantric and non Tantric Hindu religious milieu The Goddess symbolizes the supreme divine authority that activates the creation protection and governance and necessary dissolution of the world in accordance with the ancient Indian concept of cyclical time But She also discharges the divine sovereign privilege of punishing evil doers and rewarding true devotees Finally the relevant forms of the Cosmic Goddess in this book are Sri Tripurasundari Lalita Goddess Kali and Her various emanations and Laksmi and Her powers in the Pancaratra canonical texts
