

Update Information

The version of Quicken installed on this computer is R1. The latest version is R58.14. Listed below are the changes and improvements:

Version R58.14 (Sep, 2024)

What's New

- **NEW** Added a preference in the "Downloaded Transactions" settings to allow users to retain the financial institution's posted date instead of the manually entered date when matching transactions.
- **NEW** Added the ability to stop downloading an individual security price from your brokerage during a download. This was an earlier change that did not appear in the release notes.
