Religion Textbook

Lewis M. Hopfe, Mark R. Woodward

Religion Textbook:

Studying Religion Russell McCutcheon, 2024-01-22 Widely used as a primer a class text or just a provocation to critical thinking Studying Religion clearly explains the methods and theories employed in the academic study of religion by tackling the problem of how scholars define and then study religion Written for all newcomers to the field its brief chapters explore the three main ways in which religion is defined and along the way also consider a range of related topics from the history and functions of religion to its public discourse religion in the courts and the classification of diverse groups into world religions The works of classic and contemporary scholars from Karl Marx and Sigmund Freud to Bruce Lincoln and Naomi Goldenberg are analyzed and explored in readable chapters and detailed supporting materials Studying Religion represents a shift away from the traditional descriptive and comparative approach and instead uses the study of religion to invite readers to consider how they divide up name and come to know the world around them This edition also includes a new final chapter Identification Matters adding to the case studies included throughout this book to present a collection of contemporary instances where different approaches to defining and studying religion make it possible to study other issues of contemporary relevance including those involving gender race and the rights of indigenous peoples The new chapter makes explicit the practical topics of identity and status that have always been implicit throughout the entire book bringing into the classroom a wide variety of timely and relevant topics that can be better understood by its approach This book therefore remains invaluable to all students of religious studies whether in the introductory class or as an example of an alternative way of approaching the field

Introduction to Religious Studies Harvey J. Sindima, 2012-07-10 In Introduction to Religious Studies Harvey J Sindima provides an unconventional approach to the study of world religions Often books and courses on religious studies focus on the major world religions This approach however frequently ignores other religious experiences such as those of various African groups as well as the indigenous people of the Americas and Australia These less widespread religions are commonly described in pejorative terms such as primitive religions or non literate religions Focusing solely on well known religions is an approach that impoverishes religious studies and deprives students of the enormous wealth of religious knowledge of the world Introduction to Religious Studies pulls together the diverse religious experience of Africans Native Americans and the indigenous peoples of Australia in order to provide a comprehensive introduction to the study of religion and broaden the horizons of religious studies students Under each theme or topic examples are drawn from religions of salvation as well as African and Native American religious traditions This book provides students with a deep wide and very rich introduction to religious studies

International Handbook of the Religious, Moral and Spiritual Dimensions in Education Marian de Souza, Gloria Durka, Kathleen Engebretson, Robert Jackson, Andrew McGrady, 2007-06-04 Traditionally spirituality has resided and been contained within religious frameworks but while the links between the two areas are still acknowledged by many in the contemporary world spirituality is perceived by some as an aspect of human life that is distinct from religion Consequently many are searching for meaning within and without religious traditions today and seeking answers to ethical and moral questions that have been generated by the knowledge and technological explosion One outcome is the renewed interest in the religious spiritual and moral dimensions of education throughout the life cycle This International Handbook presents the research and professional practice of scholars who are daily engaged in the consideration of these dimensions in education The result is a collection of essays which reflects the discipline in all of its internationality as it is today Embedded within the chapters is also an agenda for the future where the religious moral and spiritual dimensions in education are proposed as an exciting and challenging way forward for educators at all levels in society As well it offers a vision for the emergence of a peaceful and just world

Ideology and Hegemony of English Foreign Language Textbooks Ömer Gökhan Ulum, Dinçay Köksal, 2020-01-27 This volume investigates ideological and hegemonic practices in globally and locally written English as a Foreign Language EFL textbooks and explores whether these textbooks reflect the values beliefs and norms of the native speaker society by examining their ideological components and the hegemonic practices by means of which the source society or state seeks to influence learners of the language It also attempts to clarify EFL teachers and students views on the

underlying ideology and hegemonic practices in globally and locally written EFL textbooks Studies on the relationship between ideology hegemony and textbooks in applied linguistics have become more prevalent in recent decades as the emergence of critical theory critical pedagogy and critical thinking skills from the 1920s onwards has led scholars to adopt a more critical perspective towards EFL textbooks especially with regard to elements of ideology and hegemony These two terms encompass a plethora of components ranging from nationalism to religion At the same time the importance of metanarratives originating from the tenets of modernism has declined from the 1960s onwards the assumption being that the world has entered a new age called postmodernism and post structuralism that emphasizes the role of individuals and rejects efforts to reinforce post colonialism the effects of which can be seen in EFL textbooks Accordingly taking the elements of ideology and hegemony into account remains a vital aspect in the analysis of EFL textbooks
