*Short Cycle Assessment* Susan Lang, 2013-09-27 This book shows you how to improve student achievement by providing them with frequent feedback on their work It provides a step by step process to help you write good questions that assess student learning design your own formative assessments administer short cycle assessments analyze and use data to shape instruction prepare your students for high stakes tests and includes activities and forms to walk you through the process step by step

*Checking for Understanding* Douglas Fisher, Nancy Frey, 2015-12-18 A teacher presents a lesson and at the end asks students if they understand the material The students nod and say they get it Later the teacher is dismayed when many of the students fail a test on the material Why aren't students getting it And just as important why didn't the teacher recognize the problem In *Checking for Understanding* Douglas Fisher and Nancy Frey show how to increase students understanding with the help of creative formative assessments When used regularly formative assessments enable every teacher to determine what students know and what they still need to learn Fisher and Frey explore a variety of engaging activities that check for and increase understanding including interactive writing portfolios multimedia presentations audience response systems and much more This new 2nd edition of *Checking for Understanding* has been updated to reflect the latest thinking in formative assessment and to show how the concepts apply in the context of Fisher and Frey's work on gradual release of responsibility guided instruction formative assessment systems data analysis and quality instruction Douglas Fisher and Nancy Frey are the creators of the Framework for Intentional and Targeted FIT Teaching They are also the authors of numerous ASCD books including *The Formative Assessment Action Plan* *Practical Steps to More Successful Teaching and Learning* and the best selling *Enhancing RTI How to Ensure Success with Effective Classroom Instruction and Intervention*

*Creating Literacy-Rich Schools for Adolescents* Gay Ivey, Douglas Fisher, 2006-03-15 We know that literacy is the key to learning in school yet millions of middle and high school students lack the literacy skills they need to succeed What can educators do In *Creating Literacy Rich Schools for Adolescents* authors Gay Ivey and Douglas Fisher make a compelling case that all teachers across the content areas have a role to play in students development of literacy which they define as reading writing speaking listening and viewing Rather than focusing solely on reading instruction and the cliché that says all teachers are teachers of reading they urge teachers to incorporate rich literacy based learning experiences into their classrooms with the goal of helping students to learn and think across the curriculum With research based findings engaging examples and extensive lists of resources Ivey and Fisher encourage readers to Reexamine the materials experiences and expectations of the English language arts classroom Use strategies to improve literacy in all the content areas and seek alternatives to the traditional textbook Make independent reading an important part of students ongoing literacy development Design and use interventions that really work for struggling students and Consider the schoolwide elements professional development peer coaching leadership and assessment that should be in place to support teachers and students

Essential questions provide the focus for each chapter and Quality Indicators for Secondary Literacy help readers gauge where they are on the continuum of providing a meaningful literacy experience for students Creating Literacy Rich Schools for Adolescents will inspire educators to take up this challenge in their own school with new confidence that the work is worthwhile and achievable Note This product listing is for the Adobe Acrobat PDF version of the book *Collections*, 2016
