

Moving things

Speed

To measure how fast something is travelling, you need to measure the distance it travels and the time taken. Units for **speed** are **km/h** or **m/s** or **mph**. The unit for speed depends on the units you have used to measure the distance and the time.

Speed is calculated using this formula:

$$\text{speed} = \frac{\text{distance}}{\text{time}}$$

The **mean (average) speed** is the total distance travelled divided by the total time taken. Actual speeds during a journey can be faster or slower than the mean speed.

A car travelling at 50 km/h overtakes one travelling at 30 km/h. The **relative speed** of the faster car compared to the slower car is 20 km/h.

Distance–time graphs

A journey can be shown on a **distance–time graph**. This graph shows Kieron's journey to school. The steeper the line on the graph, the faster the object or person is moving.

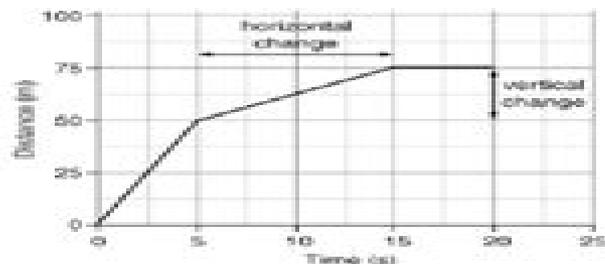

Gradients

The **gradient** of a line on a graph is a measure of how steep the line is. On a distance-time graph, the gradient of a line gives the speed that the object is moving.

Example

Calculate the speed of the object between 5 and 15 seconds.

$$\begin{aligned} \text{gradient} &= \frac{\text{vertical change (distance moved)}}{\text{horizontal change (time taken)}} \\ &= \frac{(75 \text{ m} - 50 \text{ m})}{(15 \text{ s} - 5 \text{ s})} \\ &= \frac{25 \text{ m}}{10 \text{ s}} \\ &= 2.5 \text{ m/s} \end{aligned}$$

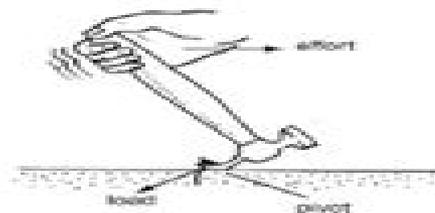

Levers and moments

Forces can be used to turn objects around **pivots**. A pivot is also known as a **fulcrum**.

Levers can be **force multipliers**, when they increase the force that is put in (the **effort**). They can be **distance multipliers** if they make the **load** move further than the effort. The amount the force or distance is multiplied depends on the distances between the load and the pivot, and the effort and the pivot.

A turning force is called a **moment**. Moments are measured in **newton metres (N m)**.

$$\text{moment (in N m)} = \text{force (in N)} \times \text{perpendicular distance from the pivot (m)}$$

The hammer is acting as a force multiplier.

9i Test Exploring Science Pdf

Terry C. Jones

9i Test Exploring Science Pdf:

If you ally need such a referred **9i Test Exploring Science Pdf** books that will pay for you worth, acquire the very best seller from us currently from several preferred authors. If you desire to comical books, lots of novels, tale, jokes, and more fictions collections are also launched, from best seller to one of the most current released.

You may not be perplexed to enjoy every books collections 9i Test Exploring Science Pdf that we will unconditionally offer. It is not approaching the costs. Its nearly what you habit currently. This 9i Test Exploring Science Pdf, as one of the most in force sellers here will very be accompanied by the best options to review.
