The Warriors Path - Revised Second Edition Alan Baker,2021-02-04 This book is the culmination of decades of experience instructing every branch of the U S military the Department of Defense police agencies SWAT teams and elite bodyguards It also draws on over forty years of dedication to martial arts during which I ve earned more than fifteen black belts across various disciplines Throughout my journey I ve run multiple academies and provided private protection for numerous VIPs including stars from TV shows like The Walking Dead and Arrow The lessons I ve learned along the way have revealed that no matter how insurmountable life s challenges may seem there is always a path forward for those aspiring to become elite performers successful business leaders or simply seeking a more fulfilling life I ve faced my own struggles and discovered what it takes to rise again Over the years countless individuals have sought my guidance and I ve shared the steps I ve taken and those followed by masters before me We all face setbacks it s an unavoidable part of life But there is a process for recovery a series of steps that can restore the body mind and spirit This book is a collection of those steps a guide I ve found to be universally effective for anyone ready to break free from a quitter s mindset and pursue higher awareness and lasting happiness what I call a sigma personality Through my journey I ve learned

from soldiers and monks alike and discovered that despite their vastly different paths they share foundational habits that enable them to achieve a higher state of being These habits help them remain sane aware healthy and clear headed In this book you will discover techniques for breathing and exercising more intelligently as well as strategies to transform your thinking allowing you to achieve greater physical and mental goals It s not just about changing your approach to your body it s about rethinking your entire mindset and embarking on a journey of self discovery that if embraced will continue for the rest of your life There is a path forward a way to rejuvenate yourself and transcend the limitations imposed by both others and yourself It s not hopeless You are not hopeless Let me show you the way
