## **Body Soul And Holy Spirit:**

*Spirit Soul and Body* Archbishop N G Sibande, 2013-10-29 The book brings some highlight about God and human beings God is three in one God the father the Son and the Holy Spirit When God created human beings He created them to be like Him possessing the spirit soul and body The book will therefore show that human beings are from God and for God A human being is spirit has a soul and lives in the body Each part has its role in maintaining the relationship with God Each part has its significant role to make a man whole and the book will show the role of each part in a man First the Spirit Tommy Hays, 2021-05 From a Biblical perspective of our human nature we are spirit and soul and body 1 Thessalonians 5:23 Understanding each dimension of our being and how each is to relate to the others according to God's created order is a strategic key of the Kingdom of God Come take hold of this key that will revolutionize and revitalize your spiritual journey Our human spirit should abide in deep communion with God's Holy Spirit Then our human spirit infused and led by the Holy Spirit should direct the mind will and emotions of our human soul which should manifest in the health and well being of our human bodies All is well with my soul when all is well with my spirit All is well with my body when all is well with my soul But for all to be well we must learn to allow the Holy Spirit to correctly align our spirit and soul and body First the spirit Then the soul Then the body As we'll discover looking more deeply into these three dimensions of our being when we're correctly aligned with the human spirit first we will live out our daily journey with more spiritual health and growing maturity fulfilled with more peace and joy walking in the wisdom of God instead of the ways of the world In right alignment my human spirit which is receiving my sense of guidance and discernment by abiding in communion with God's Holy Spirit directs my soul My soul is my mind will and emotions So my spirit should direct my mind and how I think my will and the choices I make my emotions and how I sense and feel and experience the world around me Then then my soul should direct my body In right alignment my body manifests what's going on in my soul and my soul manifests what's going on in my spirit and my spirit manifests my abiding relationship with God's Holy Spirit First the spirit Then then the soul Then the body This is what I call Spiritual Alignment or walking out my spiritual journey as a Spiritual Christian But the trouble is that much of the time we tend to live out our daily lives in a different order than God's created order Instead of living in right alignment we're living out of alignment First the soul instead of first the spirit First the soul Then the spirit Then the body This is what I call Soulsh Alignment or walking out my spiritual journey as a Soulsh Christian In that wrong order when I'm out of proper alignment I am more soulsh than spiritual and all will not be well with my soul In the soulsh alignment I'll be driven more by my own desires in the mind will and emotions of my soul rather than humbling myself to be led by God's Holy Spirit directing my human spirit When I'm in a soulsh alignment my mind will insist on my own thoughts instead of yielding to God's thoughts My human freewill will insist on my own will instead of yielding to God's will And my emotions will insist on driving my actions by reacting from my soul instead of responding by the leading of my spirit being led by God's Holy Spirit Whether my

spirit is on top and in charge directing my soul or whether my soul is on top and in charge suppressing my spirit makes all the difference And as we ll see alignment is everything The good news is that by the grace of God we can recognize it when we re being more soulish than spiritual and make a choice to humble our souls to come back into right alignment of spirit soul and body By far this has become one of the most revolutionary insights of my spiritual journey And as I ve shared these principles of this book through the years I ve heard so many testimonies of these simple insights becoming life changing for men and women at all stages of their spiritual journey to Christ like maturity That s why I m thrilled to share them with you

Juliet Tennison, 2019-08-12 Discover how to live a spiritual life instead of a soulish life We are tripartite beings having body soul and spirit The spirit is conscious of God the soul of self and the body of the things of this world In this relatable treatise backed by her own experience author Juliet Tennison describes how to avoid war within ourselves as she examines the spirit soul and body and unpacks scriptural truths about spiritual versus carnal living God created us for love and to have an intimate relationship with Him We will never understand who we are until we see ourselves as God sees us In the Garden of Eden man had perfect relationship with God but after the Fall sin separated man from Him Adam and Eve hid from God because the soul had become self conscious instead of God conscious and they could no longer enjoy walking in fellowship with a Holy God We were created to love God and to love others but our soul keeps us from ever achieving this purpose We must lose our soul to love and we must seek God who is love God created us to live a supernatural life by the power of the Holy Spirit Our brain our will and our emotions which make up our soul are natural The body we walk in is natural The soul and the spirit are so close to one another that the two require the word of God to divide them to separate them from each other For the word of God is living and powerful and sharper than any two edged sword piercing even to the division of soul and spirit and of joints and marrow and is a discerner of the thoughts and intents of the heart Hebrews 4:12 So many of us practice religion without relationship This is churchianity we attend church but have no relationship with Jesus Christ We pray for forgiveness without repenting our sins Repentance means to stop doing our will and to start doing God's Will We struggle in our walk with God because we fail to differentiate between our soul and our spirit we substitute the thoughts or emotions of the soul for the works of the Holy Spirit The Holy Spirit can only take residence in our spirit It is in our spirit that we worship fellowship and stay connected to God for God is Spirit and those who worship Him must worship in spirit and truth John 4:24 The knowledge of God is not some generic idea that He exists up there It involves an intimate acquaintance with His character and actions God's love is manifested in His Son Jesus Christ's life death and resurrection He has placed His Spirit within His adopted children giving us a heart to love Him a mind to know Him and a will to obey Him The salvation which comes from God means being completely delivered from our self and being placed into perfect union with Him by the Power of the Holy Spirit As fallen humans we need a savior to save us from our own wicked soul Salvation is only understood in our spirit and only when the spirit is made alive by the indwelling of the Holy Spirit The soul cannot comprehend this because it is filled with its own pride neither can the body which is world conscious and only understands the worldly things Knowing these things we learn to live a victorious spiritual life as the Holy Spirit lives in our spirit and we crucify the detrimental desires of the soul and body

*The sevenfold gifts of the Holy Spirit, notes of addresses* Augustus Theodore Wirgman,1890 **The Soul's Destiny** Thelma Jane,2022-03-25 The Soul s Destiny Discoveries of an Ordinary Christian combines sound biblical research with spiritual autobiography in order to unveil God s living laws of love for a prosperous life here on earth and for the soul in eternity In her lively style Thelma Jane shares the principles of faith and prayer by which she manifested a successful and happy life These principles will help you to do the same By careful theological reasoning supported by a wealth of scriptures Thelma Jane goes on to discuss theological issues including methods of biblical interpretation the plan of the fall and redemption from Adam to Christ and revelations concerning God s justice and mercy The book offers a bold and convincing hypothesis concerning the soul s destiny The hypothesis transcends the usual division between conservative and liberal doctrine As an evangelical Thelma Jane believes that a personal relationship with Jesus Christ is the center and goal of our life of faith So that all may come to Christ God s plan of salvation may include the possibility of reincarnation Furthermore salvation may involve not just the individual but also the collective not just the person but also soul groups e g families The Soul s Destiny Discoveries of an Ordinary Christian is far ranging intellectually stimulating personally engaging warm inspiring and uplifting Thelma Jane gives hope for all who fervently seek to know God through Jesus Christ Anyone curious about God s laws of love and the soul s destiny will benefit from this book Book Review 1 The Soul s Destiny by Thelma Jane is a stunning journey of faith and discovery of self through God s word Thelma Jane uses her personal experience as a basis for exploring God s spiritual laws and scripture to understand what is expected of us Her writing is inspirational as her honesty does not hold back from what she believes and even challenges other perspectives on religion The conversational style makes for an interactive tone and serves as a resource for personal study or conversation by speaking to readers directly Topics include self healing and the principles of faith Salvation is explored deeper in the last part of the book as the

focus shifts to include reincarnation which includes scripture and explanation The Soul s Destiny explores spiritual growth and discovery through the perspective of someone who has experienced loss struggle and obstacles in her journey to understand faith salvation reincarnation and purpose Liz Konkell for Readers Favorite Book Review 2 Author Thelma Jane has lovingly crafted a deeply personal account of her journey and her encounters with God s spiritual laws which results in a deeply enriching experience that provides valuable insights into the complexities of Christian theology and spirituality Jane s meticulous exploration of theological concepts supported by a wealth of scriptures offers a comprehensive perspective on challenging topics such as the nature of God the fall of Adam and the possibility of postmortem salvation The organization of ideas is well done with accessibility to the work no matter how familiar or unfamiliar you are with the Bible I also appreciated Jane s balanced approach to reconciling differing perspectives within Christianity while remaining steadfast in her faith Overall The Soul s Destiny is a compelling and enlightening read that invites readers to engage deeply with fundamental questions of faith and spirituality I would certainly recommend it to spiritual readers everywhere seeking strength and reassurance K C Finn for Readers Favorite Book Review 3 Does God s justice and mercy demand extra time for some souls to come to spiritual maturity and a saving knowledge of the Lord Jesus Christ According to Thelma Jane in The Soul s Destiny Discoveries of an Ordinary Christian the answer is yes Thelma states that even though the Bible does not implicitly state there is reincarnation the omission does not preclude the possibility What do you know about a Christian form of reincarnation If you are like me you probably figured they are mutually exclusive however Thelma Jane tries to reach a balance between the two philosophies in The Soul s Destiny This book may be hard for traditional Christians to accept However this book is interesting and opens the door to an alternative interpretation of the Bible Read and ponder on it and decide for yourself what you believe Philip Van Heusen for Readers Favorite Book Review 4 Thelma Jane considers herself an ordinary Christian but her visions and observations are extraordinary Using scriptural studies and spiritual reflection she clears up common misconceptions discussing how she has led others to Christ through her testimonies or by simply asking them to a religious service Using true and fictional stories to anchor her points she relates how she believes we may help determine the spiritual fate of our ancestors The author has a conversational style that pulls you in making you feel you re receiving the information from a dear friend Thelma raises some thought provoking questions and she answers them by using her scriptural knowledge and visions The Soul s Destiny may change the way you interpret death and the possibility of reincarnation Courtnee Turner Hoyle for Readers Favorite Book Review 5 The Soul s Destiny is a well detailed book that covers various aspects of the spiritual Christian journey Thelma Jane does a great job of explaining the scriptures and gives helpful insights into her understanding I appreciate that she is honest about not knowing everything and does not seek to force her teachings on anyone Instead she encourages readers to seek their spiritual path and come to their own understanding This humble and open approach makes the book more relatable allowing readers to connect with the message

on a personal level The book provides a platform for discussions on topics like horoscopes and reincarnation that may be considered unconventional within traditional Christian teachings which adds a layer of depth and thought for readers The book is well organized and written in a casual conversational tone making it easy to follow and understand The Soul s Destiny is an enriching read that offers valuable insights for those seeking a deeper connection with their faith and God Luwi Nyakansaila for Readers Favorite *The method of grace in the Holy Spirit's applying to the souls of men the eternal redemption contrived by the Father, and accomplished by the Son* John Flavel,1853 The Work of the Holy Spirit Abraham Kuyper,1900 **A New Light of Mysticism.
