the bride's Stealing glances at each other throughout the night there was no denying an intense mutual attraction He suggested we explore the chemistry sparking between us His blunt dirty mouth should've turned me off But for some crazy reason it had the opposite effect on me We ended up back in my hotel room The next morning I flew home leaving him behind in California with the wrong number I thought about him often but after my last relationship I'd sworn off of charming cocky gorgeous as sin men A year later Hunter and I met again Our attraction hadn't dulled one bit This time he demanded a real phone number So I left him with my mother's She could scare away any man with her talks of babies and marriage But the following week he rang the bell at Mom's house for Sunday night dinner The crazy gorgeous man had won over my mother and taken an eight week assignment in my city He proposed we spend that time screwing each other out of our systems Eight weeks of mind blowing sex with no strings attached It was just sex not love But you know what they say about the best laid plans Formerly published in a different form under the title *Sex Not Love* in 2017 **Throb** Vi Keeland,2015-01-26 **The Invitation** Vi Keeland,2024-05-09 The Hating Game meets One Plus One by JoJo Moyes in *The Invitation* a slow burn heated emotional standalone from 1 New York Times bestseller Vi Keeland The first time I met Hudson Rothschild was at a wedding I'd received an unexpected invitation to one of the swankiest venues in the city Hudson was a groomsman and quite possibly the most gorgeous man I'd ever laid eyes on He asked me to dance and our chemistry was off the charts I knew it wasn't a good idea to get involved with him considering the wedding I was at But our connection was intense and I was having a great time Though the fun came to a screeching halt when Hudson figured out I wasn't who I'd said I was You see that unexpected invitation I received Well it hadn't actually been addressed to me it was sent to my ex roommate who'd bounced a check for two months rent and moved out in the middle of the night I figured she owed me an expensive night out but I guess technically I was crashing the wedding Once caught I couldn't get out of there fast enough As I bolted for the door I might've plucked a few bottles of expensive champagne off the tables I passed all while the gorgeous angry groomsman was hot on my tail Outside I jumped into a taxi My heart ricocheted against my ribs as we drove down the block but at least I'd escaped unscathed Or so I thought Until I realized I'd left my cell phone behind at the table Take one guess who found it This is the crazy story of how Hudson Rothschild and I met But trust me it's only the tip of the iceberg At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied *Love Online* Penelope Ward ,2018-08-27 From New York Times bestselling author Penelope Ward comes a new sexy standalone novel We met in the least likely of places It started out innocently enough I was ScreenGod and she was Montana but of course those weren't our actual names just the virtual cloaks we hid behind Logging in at night and talking to her was my escape my sanctuary Her real name was Eden I'd soon come to find out From the first time we connected online I found myself transfixed She was an addiction At first we knew nothing about each other's real identities and she was adamant that we keep things that way Anonymity had no effect on our unstoppable chemistry though If anything it allowed us to open up even more in ways we may not have

otherwise Eden was funny intelligent gorgeous everything I'd ever wanted in a woman But I couldn't really have her I had accepted things would have to stay the way they were until the day I found a clue that led me straight to her So I took a chance And that was when our love story really began
