## **Capitalist Nigger:**

*Capitalist Nigger* Chika Onyeani, 2012-03-27 *Capitalist Nigger* is an explosive and jarring indictment of the black race. The book asserts that the Negroid race as naturally endowed as any other is culpably a non-productive race, a consumer race that depends on other communities for its culture, its language, its feeding, and its clothing. Despite enormous natural resources, blacks are economic slaves because they lack the devil-may-care attitude and the killer instinct of the Caucasian, as well as the spider web mentality of the Asian. A *Capitalist Nigger* must embody ruthlessness in pursuit of excellence in his drive towards achieving the goal of becoming an economic warrior. In putting forward the idea of the *Capitalist Nigger*, Chika Onyeani charts a road to success whereby black economic warriors employ the Spider Web Doctrine: discipline, self-reliance, ruthlessness to escape from their victim mentality. Born in Nigeria, Chika Onyeani is a journalist, editor, and former diplomat.

**Capitalist Nigger** Chika Onyeani, 2025-11-02 Provocative, daring, acerbic but truthful *Capitalist Nigger* exposes the endemic frailties that debilitate and dehumanize the Black race into dependency, complacency, low esteem, and inaction, as if these were divinely ordained. Onyeani's tirade is angry but affectionate; it is a tongue-lashing but genuinely concerned about the fate of his race. As usual in life, this kind of truth scathes the ears. After all, charity begins at home with one's own race. Dr. Michael C. Malherbe, Professor Chair, Africana Studies, Humanities Department, Hostos Community College of the City of New York. This is a book of passionate outrage and collective self-reproach. The beginning of self-reform is self-criticism. This author manifests a combination of anguish, anger, and patriotism. Ali A. Mazrui, D. Phil. Oxon, Albert Schweitzer Professor in the Humanities, Director of Global Cultural Studies, Binghamton University. *Capitalist Nigger* excels as an explosive and jarring indictment of the Black race. The book asserts that the Negroid race as naturally endowed as any other is culpably a non-productive race. The Black race is a consumer race and depends on other communities for its culture, its language, its feeding, and its clothing. Despite enormous natural resources, Blacks are economic slaves because they lack the devil-may-care attitude and killer instinct of the Caucasian, as well as the spider web mentality of the Asian. *Capitalist Nigger* contends that only as Economic Warriors employing the Spider Web Economic Doctrine can the Black race escape from their victim mentality. **Elon Musk**

Michael Vlismas, 2022-05-06 How did a bullied, introverted Pretoria schoolboy become the world's richest person and arguably humanity's greatest change agent? Vlismas's extensively researched biography does a great job of unwrapping Elon Musk's remarkable life story. TOBY SHAPSHAK Often in the news for his entrepreneurial exploits and his controversial tweets, Elon Musk is one of the richest and best-known people on earth. In 2022, he made headlines worldwide with his bid to buy Twitter. Who is this boundary-pushing billionaire with grand plans of inhabiting Mars, and what lies at the heart of his vision? Why is he so utterly unafraid of risk? As an awkward Pretoria schoolboy who loved comics and science fiction, Musk's early years and singular family background were crucial in forming his stellar ambitions. Journalist and author Michael Vlismas, who attended the same high school as Musk, knows well the environment that shaped him and offers new insights.

into Musk's development including his troubled relationship with his father. Tracing his remarkable life from his South African childhood to his move to Canada at 17 and then to the US where Musk made millions out of PayPal and built Tesla and SpaceX into two of the world's most famous companies, this is the story of a man driven to preserve the optimism he sees in humanity and find a future for humans out there among the stars.

**The Incarceration of the Mind** Mgcini Mlangeni, 2010-09-08  
In my career journey I have engaged myself on diverse placements. One of the major personal tasks I have embarked myself on was when I joined the Roman Catholic Church as an aspiring future priest, and this formation process lasted a period of four years studying philosophy, sociology, anthropology, psychology, politics, and theology, etc. I was awarded with a diploma in Philosophy and an advance English Certificate by UNISA. Complementing my training as a future priest was also involved on a variety of projects and events with the diversified communities of Pretoria, Johannesburg, Durban, and Pinetown simultaneously. This passion to serve as an aspirant priest and to make a positive change within my circle of influence and beyond led to the formation of my non-profit organization called Young Generational Thinkers. In principle, one of the objectives, goals, and mission of this organization going forward is to create sustainable poverty alleviation projects and to make provision of bursaries to the illiterate and those who are from the disadvantaged backgrounds. Create an environment of safety and healthy living by formulating support groups, small, medium, and micro enterprises, reintroduce strong farming teams, and formulating self-sufficient entrepreneurial businesses, and thus create a space for job opportunities and well-functioning and self-sufficient community development projects. It is an undeniable fact that without education and necessary skills of entrepreneurship, the global advocacy issues facing the youth in areas of crime, drug abuse, unemployment, poverty, shortages of necessary skills, and fatal diseases would remain the struggle for survival for the entire international community. With major emphasis on education, entrepreneurship, and skills development by the individuals, in particular the youth, fewer and fewer cases of delinquency would be reported. Mentorship programmes in place and good governance of all stakeholders involved would lead to the success of the international community. In my line of duty, I have worked with a variety of public and private sector structures like the South African Department of Sports and Recreation, eThekweni Municipality Safer City Programme, Department of Community Participation, Department of Skills Development, Youth Commission, South African Red Cross, Durban Chamber of Commerce, South African Police Service, and Non-profit organizations like Right to Care, Love Life, Future Leaders, National Youth Development Agency, just to mention a few. I was also involved on numerous national and international level on development and sustainable projects and events. With this in mind, I am optimistic that this manuscript would be embraced beyond measure as I am a born philanthropist who is less motivated by money and prestige. To the contrary, I am motivated by making a difference and making this world a better place for our generations, generation to come.

A dark, strange, and joyful book about sticking by your best friends in the face of a monstrous world. Sam Humphries, Three

girls went into the woods Only two came back covered in blood and with no memory of what happened Being fifteen is tough tougher when you live in a boring ass small town like Little Hope California population 8 302 in 1996 Donna Rae and Kat keep each other sane with the fervor of teen girl friendships zine making and some amateur sleuthing into the town s most enduring mysteries a lost gold mine and why little Ronnie Gaskins burned his parents alive a decade ago Their hunt will lead them to a hidden cave from which only two of them return alive Donna the troublemaker can t remember anything Rae seems to be trying to escape her memories of what happened while her close minded religious family presses her for answers And Kat Sweet wannabe writer Kat who rebelled against her mom s beauty pageant dreams by getting fat She s missing Dead Or terribly traumatized out there in the woods alone As the police circle and Kat s frantic mother Marybeth starts doing some investigating of her own Rae and Donna will have to return to the cave where they discover a secret so shattering that no one who encounters it will ever be the same

**The Boer Invasion of The Zulu Kingdom 1837-1840** John

Laband,2023-02-16 The battle of Blood River or Ncome on 16 December 1838 has long been regarded as a critical moment in the history of South Africa It is the culminating victory by the land hungry Boers who had migrated out of the British ruled Cape and invaded the Zulu kingdom in 1837 Many Afrikaners long acclaimed their triumph as the God given justification for their subsequent dominion over Africans By contrast Africans celebrate the war with pride for its significance in their valiant struggle against colonial aggression In this account John Laband deals as even handedly as possible with the warring sides in the conflict In contrasting their military systems he explains both victory and defeat in the many battles that marked the war Crucially he also presents the less familiar Zulu perspective explaining the political motivation strategic military objectives and fissures in the royal house This is the first book in English that engages with the war between the Boers and the Zulu in its entire context or takes the Zulu evidence into proper account

*Countdown to Socialism* Anthea Jeffery,2023-07-19 With growth stalling joblessness at crisis levels and governance unravelling most South Africans cannot fathom why the ANC does not embark on meaningful reform The answer lies in what is seldom raised the ruling party s unwavering determination to take the country by incremental steps from capitalism to socialism This transformation is being implemented via a Moscow inspired national democratic revolution NDR dating back many decades Despite the Soviet Union s collapse in 1991 the ANC SACP alliance still sees the NDR as offering the most direct route to socialism in South Africa and hence as its bedrock strategy The NDR has been implemented in many different spheres since 1994 By way of example NDR interventions have already made millions of people unemployable and the mining sector largely uninvestable They now aim at land expropriation without compensation EWC and the effective nationalisation of private healthcare and pensions The NDR is the key to understanding ANC rule over some 30 years yet most South Africans have been kept in the dark on it This book aims to fill that gap Written in clear and simple language it provides an indispensable primer on the NDR and its role in the countdown to socialism in South Africa
