**Care of The Soul In Medicine** Thomas Moore, 2011-07-15 Few experiences stir the emotions and throw a person into crisis as illness does. It affects not only the body but also the spirit and soul. Illness is about life and death, fear and hope, love and conflict, spirit and body. And yet the healthcare system is not structured around these considerations; our doctors and other medical professionals are not trained to deal with the whole person. *Care of the Soul In Medicine* is Moore's manifesto about the future of healthcare. In this new vision of care, Moore speaks to the importance of healing a person rather than simply treating a body. He gives advice to both healthcare providers and patients for maintaining dignity and humanity. He provides spiritual guidance for dealing with feelings of mortality and threat, encouraging patients to not only take an active part in healing but also to view illness as a positive passage to new awareness. While we don't fully understand the extent to which healing depends on attitude, it has been shown that healing needs to focus on more than the body. The future of medicine is not only in new technical developments and research discoveries; it is also in appreciating the state of soul and spirit in illness.

**Illustrated Care of the Soul** Thomas Moore, Labyrinth, 1998-10-21 With more than 1 million copies in print, the original edition of *Care of the Soul* is a remarkable study of the creative opportunities that are available to us in everyday life. Thomas Moore is now a world-renowned writer, psychotherapist, and speaker, and this new illustrated edition of *Care of the Soul* brings an edited version of the original text to a new audience. *Care of the Soul: The Illustrated Edition* offers a therapeutic program to restore the spiritual life to the human soul. We are given the opportunity to go deeper into our emotional problems and find the sacredness in ordinary everyday life, with friends in our conversation with others in more fulfilling work and in all the experiences that can touch the heart. By integrating classical and modern art with the text, this edition offers the reader the opportunity to envision the already very visual nature of Thomas Moore's writing. It contains more than 150 color illustrations of great works of art that make the text come alive, ranging from pieces by Marsilio Ficino, one of the author's favorite artists, to Edward Munch and Pablo Picasso, from vase paintings created in 400 BCE all the way to works by modern artists such as Edwin Romanzo, Elmer Giorgio De Chirico, and William Waterhouse. Thomas Moore has long worked as an art therapist and has studied religion and music, all of which have come together in this volume to bring us an extraordinary and inspirational guide to the spiritual solutions needed in daily life.
