Ethics and Business Paul C. Godfrey, Laura E. Jacobus, 2022-12-28 *Ethics Business An Integrated Approach for Business and Personal Success* 1st Edition International Adaptation gives students the practical knowledge and skills to identify ethical dilemmas understand ethical behavior in themselves and others and advocate for ethical behavior within their organization The course focuses on three ethical questions the individual the organization and the societal perspective These questions and views explore different areas of business ethics such as the use and abuse of power challenges to honesty and integrity and participation in ethical interventions such as reporting repair forgiveness and reconciliation Most business ethics courses are based on a single point of view Depending on the viewpoint this might be based on philosophical theory organizational behavior or a legal and regulatory compliance approach As an author team we combine and integrate these points of view into a unified whole by incorporating unique content original

videos and adaptable case studies to assist students in making ethical decisions in their professional and personal lives This International Adaptation explores different areas of business ethics such as the use and abuse of power challenges to honesty and integrity and participation in ethical interventions such as reporting repair forgiveness and reconciliation Every chapter now includes new questions to help readers test their understanding of the subject There is also new mini cases that are contemporary and more relevant to the global scenario

Living Lawfully Z. Bankowski, 2013-04-17 The aim of this book is to explore what it means to live a life under the law Does a life of law preclude love and does a life of love preclude law Part of the theme of the book is that social questions also raise individual moral and ethical questions that to live lawfully implies both a question of how I should live in my relations with my fellows and how society should be organised These questions must be looked at together The book explores these questions and in looking at the articulation of law and love touches upon debates in personal morality aesthetics epistemology social and political organisation institutional design and the form and substance of law It raises questions that are of interest to students and those working in law theology and social and political theory
