Child Development and Behavior Freda Reblsky,Lynn Dorman,1974 *From Here to Maturity* Thomas E. Bergler,2014-11-27 Expert guidance on how to grow up in Christ This

book is a follow up to Thomas Bergler's acclaimed work *The Juvenilization of American Christianity* which documents how church youth ministries over the past several decades have contributed to a process of adolescent spiritual traits becoming accepted and even celebrated by Christians of all ages. This juvenilization in the church is a real problem that must be addressed, says Bergler, and in his new book he addresses it head on. *From Here to Maturity* is an accessible guide for helping both individuals and whole faith communities to grow spiritually. Bergler claims that spiritual maturity, defined as basic competence in the Christian life, is both desirable and attainable, and he effectively presents a biblical theology of spiritual maturity, identifying its traits from pertinent New Testament passages. Adapting Dallas Willard's model of spiritual formation and applying it to congregational life, Bergler offers a wealth of practical, research-based guidance as to how Christian leaders can effectively foster spiritual maturity in their congregations. He also identifies six key faith-sustaining factors and provides a system for evaluating a church's state of spiritual maturity and steps for improving it. Ecumenically friendly, *From Here to Maturity* will be useful to individuals and leaders from many different churches and theological traditions.
