Demelza:

Demelza Winston Graham, 2010-06-01 From the incomparable Winston Graham who has everything that anyone else has then a whole lot more The Guardian Demelza is a heartwarming gripping and utterly entertaining saga that brings to life an unforgettable cast of characters and one of the greatest love stories of our age An impoverished miner's daughter Demelza Carne is now married to Ross Poldark who once rescued her from a fairground brawl Her efforts to adapt to the ways of the gentry and her husband place her in hilarious and embarrassing situations through which she becomes self-assured, mannered and lovely and the birth of her first child brings a joy she never experienced before But tragedy strikes where least expected and sows the seeds of an enduring rivalry for Ross Poldark and the powerful George Warleggan and tests Ross and Demelza's marriage and their love What Readers are Saying Even better than the first book in the series Wonderful characters evocative sense of place and time If you haven't read the Poldark series and care anything for Cornwall the 18th century historical romance in its truest form historical fiction or just a darn good story that will change your life then you should read these books The Poldark series is the most powerful reading experience I have ever had These books have no equal in historical fiction I have read them several times and am starting over again **Demelza** Winston

Graham, 2011-08-19 Demelza is the second book in Winston Graham's hugely popular Poldark series which has become a television phenomenon starring Aidan Turner Demelza Carne the impoverished miner's daughter Ross Poldark rescued from a fairground rabble is now his wife But the events of these turbulent years test their marriage and their love Demelza's efforts to adapt to the ways of the gentry and her husband bring her confusion and heartache despite her joy in the birth of their first child Ross begins a bitter struggle for the rights of the mining communities and sows the seed of an enduring enmity with powerful George Warleggan Demelza is followed by Jeremy Poldark the third title in this blockbuster series set in 18th century Cornwall [California. Diving Belles Lucy Wood, 2012-08-07 In the tradition of Angela Carter this luminous spellbinding debut reinvents the stuff of myth Straying husbands lured into the sea by mermaids can be fetched back for a fee Trees can make wishes come true Houses creak and keep a fretful watch on their inhabitants straightening shower curtains and worrying about frayed carpets A mother who seems alone and lonely may be rubbing sore muscles or holding the hands of her invisible lover as he touches her neck Phantom hounds roam the moors and on a windy beach a boy and his grandmother beat back despair with an old white door In these stories the line between the real and the imagined is blurred as Lucy Wood takes us to Cornwall's ancient coast building on its rich storytelling history and recasting its myths in thoroughly contemporary ways Calling forth the fantastic and fantastical she mines these legends for that bit of magic remaining in all our lives if only we can let ourselves see it *The Flame Swallow, and Other Stories from Cornwall* Denys Val Baker, 1963 **The Ghost Who Fell in Love** Barbara Cartland, 1978 [Jeremy Poldark](#) Winston Graham, 1961 Ross

Poldark stands accused of wrecking two ships Despite their stormy marriage Demelza has tried to rally support for her husband But there are enemies who would be happy to see Ross convicted not least George Warleggan the powerful banker whose personal rivalry grows ever more intense
