Metahaven Uncorporate Identity:

Uncorporate Identity Daniel van der Velden, Marina Vishmidt, Metahaven, 2010 This book takes an imaginative approach to visual identity

The Development of Corporate Design David Preston, 2025-10-16 David Preston uses three design agencies in post war Britain as a prism through which to explore the development of corporate design and the transformation of designer from individual artist to business agent

Command+I WOT WOW, Come Together Francesco Spampinato, 2014-12-02 The past twenty years have seen a new generation of artists working together in small groups and large collectives to explore new avenues of art design performance and commerce In Come Together author and visual artist Francesco Spampinato assembles an international roster of forty of today's most exciting and influential collectives from design studios like Project Projects and political performance artists The Yes Men to flash mob provocateurs Improv Everywhere and the multimedia artists Assume Vivid Astro Focus Alongside visual portfolios of their best work are in depth interviews addressing each group's unique motivations processes and objectives What emerges is a shared desire to turn viewers into producers and to use commercial mass media strategies to challenge prevailing social political and cultural power structures Come Together is an essential resource and inspiration for students art lovers and anyone interested in the cutting edge of visual culture

Design Issues, 2014 Iaspis forum on design and critical practice Magnus Ericson, 2009 The Iaspis forum on design and critical practice has comprised an exhibition an international seminar and now a publication on investigative speculative and critically oriented design The reader is based on four conversations between graphic designers about various aspects of design relating to their practices It also contains a number of interviews and other texts linked to these conversations and a broader discussion about design and transboundary practice Book jacket

Hans Van Houwelingen Hans van Houwelingen, 2011 This publication presents three recent proposals by artist Hans van Houwelingen and through their mediation one of the most remarkable discourses on public art in the Netherlands What's Done Can Be Undone is the proposed exchange of place between the statues of Johan Rudolph Thorbecke and Baruch Spinoza sitting in Amsterdam and The Hague respectively Correcting the historical inaccuracy in their placement could trigger a crucial reevaluation of the politician's and the philosopher's legacies in relation to today's political and moral unrest Sluipweg relocates over 300 disinterred tombstones as a footpath circling the ramparts of Fort Vijfhuizen a defense construction rendered obsolete the very moment it was completed by advancements in military technology The work collapses two forms of death and two ways in which death absents the categories we employ to make sense of it
