used different ways of approach First I strived to get some explanations from the outside using dictionaries the internet and also referring to Middlemarch by George Eliot because the title bears a resemblance to Middlesex Next I found some interviews on the internet in which Eugenides speaks about his book Then I turned to the novel itself It is obvious that I looked into the chapter Middlesex first Then I tried to find out whether there was any connection between the hermaphrodite status of Cal and the title The last step I took was to analyze the relations of the four couples who make up Cal s entourage in order to learn if there was anything that linked them to the title A short evaluation of the results of this quest shall be given in the conclusion of this paper
