### Critical appreciation of the poem

#### About the poem / poet and the title:

The poem "Indian Weavers" is written by Sarojini Naidu. Sarojini Naidu was a political activist, feminist and the first Indian woman, who became the President of the Indian National Congress. She is also called as the Nightingale of India, because of her lyrical poetry.

In this poem the poet talks about the three types of garments that the weavers weave at the three particular times of the day. Each stanza of the poem represents the three important events of life, that is, birth (childhood), adulthood (youth) and death (old age). The colours mentioned in these three stanzas are very significant, as they indicate the moods related to the events.

The title of the poem indicates that the poem is about the Indian weavers and the variety of clothes that they are weaving for different occasions.

#### Theme of the poem:

In this poem the poetess speaks about three important stages of life and relates them with different colours at different times of the day. Birth is the first stage and blue cloth is woven in the morning, for marriage green and purple colour veil is woven in the evening and finally a white shroud for a dead person at night.

#### Poetic Style:

The poem "Indian Weavers" is a short, rhythmic poem, as it adds to the lyrical quality of the poem. The beauty of the Indian culture has been brought out here very skillfully, by the Indian weavers. The question - answer method used in the poem is also very effective, as it gives a conversational tone to the poem. The rhyme scheme used here is "aabb".

#### Language and poetic devices:

The poem here appears to be very simple, as it highlights the job of the Indian weavers. The various stages of human life are portrayed here very beautifully in this poem, using the figures of speech like a metaphor, simile and imagery. The colours used here are the symbols, which expresses the moods of different stages in life.

#### Special feature:

The poem tells us about the three important stages of human life, that is birth, marriage and death. The poetess here relates, these stages to different colours at three different times of the day.

#### Message:

From this poem we get the message that, as the weavers express their moods differently for different events, we should also deal accordingly with the inevitable cycle of our life and prepare ourselves to face ups and downs in life.
