The Customer Service Solution: Managing Emotions, Trust, and Control to Win Your Customer's Business Sriram Dasu, Richard B. Chase, 2013-07-17

Understand Consumer Psychology to Drive Profits and Growth Want to know exactly what's driving your customer's behavior NOW YOU CAN *The Customer Service Solution* explains how consumers perceive services and shows you how to enhance the customer experience every time In this economic climate the customer service experience is more critical than ever Most leading service firms advocate the TLC mantra Think Like a Customer That's a good practice but first you have to understand what your customer is thinking and feeling Today's business leaders cannot afford to neglect the psychological principles that govern customer satisfaction and long term loyalty What are the factors that really determine customer satisfaction Two of the nation's leading authorities on service psychology Sriram Dasu and Richard Chase have written this groundbreaking guide that identifies and demystifies the psychological triggers behind customer behavior You'll go where customer satisfaction surveys mystery shoppers and focus groups can't and learn exactly why customers respond and behave the way they do With findings drawn from behavioral science research this book provides all the tools you need to evaluate your current service platforms and design future strategies to enhance customer perceptions positively and drive your sales *The Customer Service Solution* illustrates why even companies with high levels of satisfaction are missing tremendous opportunities by neglecting the emotional elements that govern consumer interactions This book will show you how to Shape and manage customer perceptions Understand implicit versus explicit outcomes Develop the roles of control and choice among buyers Design emotionally intelligent processes Build trust among customers Whatever your business may be healthcare hospitality financial services e-commerce and more this book is an essential tool to help you increase profits by leveraging your company's customer experience

PRAISE FOR THE CUSTOMER SERVICE SOLUTION Harnessing the power of emotions will help to drive an exceptional customer experience creating customers for life to help your business thrive Finally a guide to help us better understand how to do this James Merlino MD Chief Experience Officer Cleveland Clinic Required reading for anyone designing a service encounter James Heskett Professor Emeritus Harvard Business School coauthor of *The Service Profit Chain* and *Service Future* I have always known that our customers shop with us because they want to not because they have to How to make them want to is the secret that this great book unlocks Kevin Davis President and CEO Bristol Farms Dasu and Chase share easy to understand ideas and guidance to operations managers who typically do not think about the psychology of customers in designing their services Mary Jo Bitner PhD Professor and Executive Director Center for Services Leadership W P Carey School Arizona State University Dasu and Chase provide an excellent set of ideas for delivering emotional customer service experiences through systems and operations Rodolfo Medina Vice President Marketing

Commercial Rock in Rio This book provides valuable insights to managing and molding the customer's emotional journey leading to ultimate satisfaction and sustainable loyalty Ali V Kasikci Regional Managing Director Orient Express

Operations and Supply Chain Management F. Robert Jacobs, Richard B. Chase, 2010-12 Operations and Supply Management as the title indicates provides increased emphasis on supply chain management in the 13th Edition The 13th Edition continues its market leading up to date coverage of service operations as well The text includes solved examples and problems enough cases for MBA courses to use without supplementing and the industry leading technology support suite

Managing Global Supply Chains Ron Basu, 2023-04-06 What are the key factors affecting global supply chains today and how can we manage them Starting from the concept that there is no point driving a Ferrari in a traffic jam Ron Basu provides practical tools and techniques of good supply chain management to add value deliver cost reduction and improve customer satisfaction This new edition specifically focuses on seven contemporary challenges that have affected global supply chain management Recent disruptions to global supply chains created by COVID 19 and the Ukraine conflict have resulted in significant geographical shifts in supply and demand High inflation and the cost of living crisis have in turn created problems for finely tuned global supply chains The economic and business environment has also become more demanding due in part to political pressures including nationalism and Brexit for example supply chain pressures caused by Brexit have resulted in increased red tape Other factors have had a gradual and positive effect such as climate change initiatives Industry 4.0 and the digital revolution The issues that affect the performance of global supply chains are sometimes interrelated but all of them really matter because businesses have become increasingly global This book addresses these challenges and explores how to deal with them In addition there are new and updated chapters on lean and agile supply chains e business emerging markets sustainability and green issues global supply chains for services and event management retail management and major project management Managing Global Supply Chains is a practical and highly readable text with real life examples and excellent coverage It is an ideal companion for post experience business students learning professionals and anyone interested in supply chain management
