Lección 4A: Barrios con carácter

To begin the lesson, show students photos of points of interest in the La Latina neighborhood of Madrid (restaurants, streets, markets, cafes, and more). Use the photos to review and reinforce vocabulary related to places in a city and to give students a sense of the atmosphere of La Latina. Ask students: *¿Qué es la Latina? ¿Por qué? ¿Qué es? ¿Cómo es?*

La Latina en directo (86–87)

Introducción

Introduce the theme of the lesson by showing students' attention to the photograph on p. 86 of the Madrid neighborhood La Latina. Ask students: *¿Qué hay en la foto?* and *¿Es un barrio tradicional o moderno?* Answers may vary. This may also work as a warm-up activity in the course guide and script on p. 87 to learn La Latina. Ask students: *¿Qué más hay en La Latina?* There may refer to both the region but to the location and to some nearby shops. Possible answers: *restaurantes, tiendas, bares, iglesias, plazas, mercados, calles, parques de niños y de taxi.*

1 **Objective: Reading comprehension** Identifying global information in a written text; exposure to new vocabulary

2 Have students read the short reading and identify responses. Read the directions first to the first activity, along with the questions. Encourage students to be ready. Read the text aloud and then pose the three questions to the class. Ask: *¿Por qué La Latina es un barrio tradicional y moderno al mismo tiempo?* Students should identify a central word: *La Latina* can be considered "traditional" and a central word to get the traditional "modern."

3 **Objective: Listening comprehension** Identifying global information in an audio format; exposure to close-changing verbs

4 Review students that they are not expected to understand every word of the audio recording, but that they should focus on key vocabulary words to get the gist of the conversation. Play the audio recording and ask students to listen for and write key words. After they listen, invite students to share the key words they noted, and write these on the board. If necessary, play the recording a second time. Then have the class answer the questions in **Activity 2**. Point out that the present tense use of *comer* after talking through the activity, introduce the conjugation of the verb **gustar**. Drawing students' attention to the verb change. The key word to write the conjugation on the board is a two-column format and show students how **gustar** is another verb with. The key word students is **de** on p. 86. The key word will be central of the use of **gustar de** in the questions and **gustar que** in the answers.

Explicación

To give students additional practice with **gustar de** and **gustar que**, have them brainstorm a list of neighborhoods in the city or their entire city (college or university is located) and a list of activities that can be used to describe neighborhoods. Then have students work in pairs, asking each other: *¿Qué **gustan de** o **gustan que**?* and answering: *¿Gustan que se + (subject)?* After students have finished, point out to them that it might be often used for the verb that the expression of **que** is an answer, but that **que** is mandatory in Spanish.
