*The Play of Belief in Nineteenth-Century Fairy Tales and Fairy Narratives* Laura White, 2026-06-08 *The Play of Belief in Nineteenth Century Fairy Tales and Fairy Narratives* examines the range of playful negotiations with truth claims in British and American fantasies for children of the nineteenth century within the context of the era's ebbing Christian commitments and competing forces for belief and disenchantment. While Victorian culture was broadly Christian, its fantasy literature for children shed the explicit piety of writers of earlier generations to embrace magical tales of many stripes. In many ways, the story of children's literature in the nineteenth century is one of a Christian culture disinheriting itself, turning its angels into fairies, its faith into a range of doubts, and blending its Christian ethics with progressive evolutionary ideals. The study shows how authors embraced a wide variety of rhetorical and narrative strategies by which play, ambiguity, and hesitation could suggest what is or is not real. Inevitably, such strategies brought disenchantment in their wake, for the more Victorian authors foregrounded the problem of belief, the more they betrayed the nervousness of their own affirmations, especially in the glut of sentiment and frenzied fantasy which typifies fin de siècle fairy tales. This essential study illuminates the historical nature of children's literature, making it indispensable reading for scholars of Victorian culture, children's fantasy, and anyone fascinated by the enduring power of fairy tales.

**The Indomitable Florence Finch** Robert J. Mrazek, 2020-07-21 An American hero finally gets her due in this riveting narrative. You will absolutely love Florence Finch, her grit, her compassion, her fight. This isn't just history; she is a woman for our times. KEITH O'BRIEN, the New York Times bestselling author of *Fly Girls*. The riveting story of an unsung World War II hero who saved countless American lives in the Philippines. When Florence Finch died at the age of 101, few of her Ithaca, NY neighbors knew that this unassuming Filipina native was a Presidential Medal of Freedom recipient whose courage and sacrifice were unsurpassed in the Pacific War against Japan. Long accustomed to keeping her secrets close in service of the Allies, she waited fifty years to reveal the story of those dramatic and harrowing days to her own children. Florence was an unlikely warrior. She relied on her own intelligence and fortitude to survive on her own from the age of seven, facing bigotry as a mixed-race mestiza with the dual heritage of her American serviceman father and Filipina mother. As the war drew ever closer to the Philippines, Florence fell in love with a dashing American naval intelligence agent, Charles Bing Smith. In the wake of Bing's sudden death in battle, Florence transformed from a mild-mannered young wife into a fervent resistance fighter. She conceived a bold plan to divert tons of precious fuel from the Japanese army, which was then sold on the black market to provide desperately needed medicine and food for hundreds of American POWs. In constant peril of arrest and execution, Florence fought to save others, even as the Japanese police closed in. With a wealth of original sources, including taped interviews, personal journals, and unpublished memoirs, *The Indomitable Florence Finch* unfolds against the Bataan Death March, the fall of Corregidor, and the daily struggle to survive a brutal occupying force. Award-winning military historian and former Congressman Robert J. Mrazek brings to light this long

hidden American patriot The Indomitable Florence Finch is the story of the transcendent bravery of a woman who belongs in America's pantheon of war heroes **Risk in the Anglo-Atlantic World** Catherine Osborne DeCesare, 2026-01-08 Tracing the micro history of the John Jay through legal records this book illustrates the political and legal challenges faced by U.S. maritime businesses in the Atlantic during the Napoleonic Wars *Recritiquing S.T. Lewis, 1998 In 1958 facing court ordered integration Virginia's governor closed public schools in three cities His action provoked not only the NAACP but also large numbers of white middle class Virginians who organized to protest school closings This compilation of essays explores this contentious period in the state's history Contributors argue that the moderate revolt against conservative resistance to integration reshaped the balance of power in the state but also delayed substantial school desegregation Annotation copyrighted by Book News Inc Portland OR Choice, 2005

Gaines, 2012-12-01 Amidst the violent racism prevalent at the turn of the twentieth century African American cultural elites struggling to articulate a positive black identity developed a middle class ideology of racial uplift Insisting that they were truly representative of the race's potential black elites espoused an ethos of self help and service to the black masses and distinguished themselves from the black majority as agents of civilization hence the phrase uplifting the race A central assumption of racial uplift ideology was that African Americans material and moral progress would diminish white racism But Kevin Gaines argues that in its emphasis on class distinctions and patriarchal authority racial uplift ideology was tied to pejorative notions of racial pathology and thus was limited as a force against white prejudice Drawing on the work of W E B Du Bois Anna Julia Cooper Alice Dunbar Nelson Hubert H Harrison and others Gaines focuses on the intersections between race and gender in both racial uplift ideology and black nationalist thought showing that the meaning of uplift was intensely contested even among those who shared its aims Ultimately elite conceptions of the ideology retreated from more democratic visions of uplift as social advancement leaving a legacy that narrows our conceptions of rights citizenship and social justice **ARTnews**, 1993 **John O'London's**, 1962 Americas (English Ed.), 1961 **New York Times Saturday Book Review Supplement**, 1941-12 *The New York*
