The Little Book of Common Sense Investing John C. Bogle, 2017-09-20 The best selling investing bible offers new information new insights and new perspectives The Little Book of Common Sense Investing is the classic guide to getting smart about the market Legendary mutual fund pioneer John C Bogle reveals his key to getting more out of investing low cost index funds Bogle describes the simplest and most effective investment strategy for building wealth over the long term buy and hold at very low cost a mutual fund that tracks a broad stock market Index such as the S P 500 While the stock market has tumbled and then soared since the first edition of Little Book of Common Sense was published in April 2007 Bogle s investment principles have endured and served investors well This tenth anniversary edition includes updated data and new information but maintains the same long term perspective as in its predecessor Bogle has also added two new chapters designed to provide further guidance to investors one on asset allocation the other on retirement investing A portfolio focused on index funds is the only investment that effectively guarantees your fair share of stock market returns This strategy is favored by Warren Buffett who said this about Bogle If a statue is ever erected to honor the person who has done the most for American investors the hands down choice should be Jack Bogle For decades Jack has urged investors to invest in ultra low cost index funds Today however he has the satisfaction of knowing that he helped millions of investors realize far better returns on their savings than they otherwise would have earned He is a hero to them and to me Bogle shows you how to make index investing work for you and help you achieve your financial goals and finds support from some of the world s

best financial minds not only Warren Buffett but Benjamin Graham Paul Samuelson Burton Malkiel Yale's David Swensen Cliff Asness of AQR and many others This new edition of *The Little Book of Common Sense Investing* offers you the same solid strategy as its predecessor for building your financial future Build a broadly diversified low cost portfolio without the risks of individual stocks manager selection or sector rotation Forget the fads and marketing hype and focus on what works in the real world Understand that stock returns are generated by three sources dividend yield earnings growth and change in market valuation in order to establish rational expectations for stock returns over the coming decade Recognize that in the long run business reality trumps market expectations Learn how to harness the magic of compounding returns while avoiding the tyranny of compounding costs While index investing allows you to sit back and let the market do the work for you too many investors trade frantically turning a winner's game into a loser's game *The Little Book of Common Sense Investing* is a solid guidebook to your financial future

Essential reading for investors everywhere. The John C. Bogle Reader brings together the life-changing works of mutual fund pioneer John Bogle in one comprehensive anthology. **John Bogle on Investing** John C. Bogle, 2015-04-13. Get fifty years of industry-defining expertise in a single volume. John Bogle on Investing is a compilation of the best speeches ever delivered by one of the 20th century's towering financial giants. Individually, each of these speeches delivers a powerful lesson in investing; taken together, Bogle's lifelong themes ring loud and clear. His investing philosophy has remained more or less constant throughout his illustrious career, and this book lays it out so you can learn from the very best. You'll learn what makes a successful investment strategy, consider the productive economics of long-term investing, and how emotional investment in financial markets is often counterproductive enough to forfeit success. Bogle discusses the fiscal drag of investing and shows you how to cut down on sales charges, management fees, turnover costs, and opportunity costs as he unravels a lifetime's worth of expertise to give you deep insight into the mind of a master at work. John C. Bogle founded Vanguard in 1974, then in the space of a few years introduced the index mutual fund, pioneered the no-load mutual fund, and redefined bond fund management. This book wraps up the essence of his half-century of knowledge to deepen your understanding and enhance your investment success. Learn why simple strategies are best. Discover how emotions can ruin the best investment plan. Examine the universality of indexing in the financial markets. Minimize the costs, financial and otherwise, associated with investing. John Bogle is still in there, fighting still, pushing the industry onward and upward. Take this rare opportunity to have industry-shaping expertise at your fingertips with John Bogle on Investing. Common Sense on Mutual Funds John Bogle, David Swensen, 2009. John C. Bogle shares his extensive insights on investing in mutual funds. Since the first edition of Common Sense on Mutual Funds was published in 1999, much has changed, and no one is more aware of this than mutual fund pioneer John Bogle. Now, in this completely updated Second Edition, Bogle returns to take another critical look at the mutual fund industry and help investors navigate their way through the staggering array of investment alternatives that are available to them. Written in a straightforward and accessible style, this reliable resource examines the fundamentals of mutual fund investing in today's turbulent market environment and offers timeless advice in building an investment portfolio. Along the way, Bogle shows you how simplicity and common sense invariably trump costly complexity, and how a low-cost, broadly diversified portfolio is virtually assured of outperforming the vast majority of Wall Street professionals over the long term. Written by respected mutual fund industry legend John C. Bogle, it discusses the timeless fundamentals of investing that apply in any type of market. Reflects on the structural and regulatory changes in the mutual fund industry. Other titles by Bogle: The Little Book of Common Sense Investing and Enough. Securing your financial future has never seemed more difficult, but you'll be a better investor for having read the Second Edition of Common Sense
