

# Calcolo delle probabilita'

## A. Introduzione

Il *calcolo della probabilita'* e' ormai una delle branche piu' importanti della matematica, soprattutto per le sue molteplici applicazioni che vanno dalla fisica quantistica, alla termodinamica, alle assicurazioni eccetera...

Qui ne vedremo un breve sunto a livello di programma per un liceo scientifico. Svilupperemo prima il calcolo combinatorio per poter parlare di casi possibili, passeremo poi a studiare il concetto di probabilita' con le relative proprieta' e quindi ne vedremo un'applicazione nella teoria dei giochi; infine vedremo alcune interessanti distribuzioni di probabilita' che ci permetteranno di risolvere dei problemi che sembrano impossibili.

## B. Calcolo combinatorio

Il *calcolo combinatorio* si occupa di come possiamo combinare fra loro piu'oggetti; magari e' un poco noioso, ma ci permettera' di considerare i vari casi possibili che si possono presentare nel disporre degli oggetti.

E' essenziale per poter sviluppare poi il calcolo delle probabilita'.

Svilupperemo poi dei metodi compatti per rappresentare delle formule piuttosto estese:

- [Permutazioni](#)
- [Disposizioni](#)
- [Combinazioni](#)
- [Coefficienti binomiali](#)

### 1. [Permutazioni](#)

Se hai un insieme di oggetti, ad esempio delle figurine, in quanti modi puoi metterle una di seguito all'altra?

Se hai dei libri in quanti modi puoi ordinarli su uno scaffale? Oppure in quanti modi puoi metterti a studiare le tre materie dove pensi che domani sarai interrogato?

Parliamo quindi di [permutazioni](#):

- [Permutazioni semplici](#)
- [Fattoriale di un numero](#)
- [Permutazioni con ripetizione](#)

#### a) [Permutazioni semplici](#)

Procediamo su un esempio:

Domani sei a rischio di essere interrogato in tre materie: italiano, matematica e inglese; essendo la fine del quadrimestre ed avendo tre ore di tempo decidi di studiare ogni materia per 1 ora; in quanti modi puoi "permutare" le materie? In pratica puoi fare:

Prima ora	Seconda ora	Terza ora
Italiano	Inglese	Matematica
Italiano	Matematica	Inglese
Inglese	Italiano	Matematica
Matematica	Italiano	Inglese
Inglese	Matematica	Italiano
Matematica	Inglese	Italiano
