

O-LEVEL RELIGIOUS STUDIES (BIBLE KNOWLEDGE)

Paper 2048/01

Luke and Acts 1-21:15 (Short-answer questions)

General comments

On the whole, candidates this year performed reasonably well. Many submitted scripts that demonstrated a wide knowledge of the set texts. Conversely, some candidates demonstrated a poor knowledge of parts of the texts. As with last year, knowledge of Acts is poorer than Luke, and **Section B** remains a problem for many candidates. In addition, too many candidates do not even attempt to answer some of the questions. For future examinations, it is recommended that centres pay particular attention to the book of Acts, as well as developing candidates' skills in responding to **Section B** questions. Some answers for **Section B** were a little vague, and centres should encourage candidates to provide fuller and more detailed responses. Too often, candidates are doing well in **Section A**, but then let themselves down in **Section B**. Nonetheless, there appears to be a slight improvement in candidates' performance since last year, and centres are to be commended for this.

Comments on specific questions

Section A

Question 1

There were mixed results on this question. Too many candidates believed Herod was the Roman Emperor at the time of Jesus' birth. However, few candidates were unable to answer part **(b)**.

Question 2

Generally well-answered with very few problems.

Question 3

There were again mixed responses. A number of candidates submitted incorrect answers, though most demonstrated at least some knowledge of the parable of the sower.

Question 4

Part **(a)** was answered correctly by the majority of candidates. However, quite a number of responses for part **(b)** were incorrect.

Question 5

Mainly well-answered, though some candidates cited Stephen's plea in Acts 7:60.

Question 6

Although most candidates managed to answer part **(a)** correctly, a number of candidates believed the disciples had voted on a replacement for Judas.

Question 7

Answers were mixed for part **(a)**. Part **(b)** was problematic for some candidates.
