Corporate Governance Mechanisms and Firm Performance Shveta Singh, Monika Singla, 2022-05-12 This book begins by analysing the various corporate governance mechanisms explored in the extant literature and determining their effectiveness in enhancing the firm value using multivariate analysis The findings are of global relevance as the corporate governance regulations of most countries focus on independent directors as the mainstay of good governance The empirical evidence from the first objective of this study corroborates the claim that independent directors do not strengthen the firm's governance quality The book is one of the few works to have analysed the possible reasons behind the ineffectiveness of the independent directors Also in view of the famous concept of the bundle of governance mechanisms it might be possible that the independent directors strengthen the firm's governance quality indirectly by strengthening other

governance mechanisms This aspect too has little precedence This study adopts a novel moderation and mediation approach to analyse the monitoring behaviour of independent directors in relation to other governance mechanisms The work is a must read for corporate players as well as researchers and scholars studying this discipline

India: Democracia, desarrollo y poder en el tablero mundial del siglo XXI Carlos Moneta, Sergio Cesarin, 2025-05-04 La India del siglo XXI procura consolidar sus pretensiones como potencia regional en Asia Sudoccidental basada en su peso demográfico su representatividad como primera democracia del mundo su posición como segunda potencia asiática su extensión territorial el tamaño de su economía su capacidad tecnológica nuclear aeroespacial y en tecnologías de información y sus recursos militares La India del presente registra entre otros atributos una democracia vital y un poder de reconstrucción basado en la diversidad Sumada a esos procesos una mirada al futuro donde su trayectoria económica podrá hacia mediados del siglo XXI imponer modificaciones estructurales en el sistema global de poder ubica a la India como un actor de relevante ejemplo e incidencia para Argentina y América Latina
