Can Man Live Without God Ravi Zacharias:

Can Man Live Without God Ravi Zacharias, 2004-08-30 In this brilliant and compelling defense of the Christian faith Ravi Zacharias shows how affirming the reality of God's existence matters urgently in our everyday lives According to Zacharias how you answer the questions of God's existence will impact your relationship with others your commitment to integrity your attitude toward morality and your perception of truth Wake Up! Wake Up! the Testimony of a Layman Thomas W. Balderston, 2009-10 Wake Up Wake Up The Testimony of a Layman is the account of author Thomas Balderston's struggle with faith and his attempt to alert readers to the world and the opportunities the Triune God has made possible The author's GPS containing many strategic dots that when connected opened his eyes to the truth was the Word The resurrection was the highest peak on the many mountains he crossed The Testimony of a Layman is the honest chronicle of how one man's heart and mind were opened Take a ride with the author the scenery may be enough to remind readers that even with pain there is beauty and love inside and outside their windows *Christianity's Dangerous Idea* Jonas E. Alexis, 2010 Today many in Hollywood and the media have declared open warfare on the family education and Christianity in general Intellectuals have labeled religion particularly Christianity as mere wish fulfillment or a virus of the mind something to be eradicated at all costs In Christianity's Dangerous Idea Jonas Alexis picks up where he left off in his previous books and continues to examine the ideological fallacies that have been fabricated in order to attack Christianity and the people who promote those fallacies This latest book is a tour de force of rigorous logic and testable evidence for the Christian worldview from history science experience common sense and final destiny More importantly Alexis subjects the rivals of Christianity to the same rigorous testing Christianity's Dangerous Idea clearly demonstrates the destructive nature of popular atheistic and anti-Christian philosophies spread throughout Western culture by such famous people as Friedrich Nietzsche Sigmund Freud Carl Jung David Cronenberg Steven Spielberg Alan Moore William S Burroughs Philip K Dick Bruce Lee Ayn Rand Bart D Ehrman Richard Dawkins and many more In a scholarly yet readable fashion Alexis shows that what the ancient Greeks often referred to as the cult of Dionysus has become mainstream in our modern age **A Humble Defense** Mark Edward Moore, Mark Scott, 2004 **Don't Stop the Swagger** Damon J Smith, 2015-11-25 A SWAGGER can't be acquired by material objects It comes from a source deep within that you may have never known you possessed The swagger never lets circumstance or criticism interrupt the mission But what happens when your uncommon dream doesn't go as planned your business fails tragedy hits you make a bad decision your marriage goes down hill your athletic aspirations don't pan out or you're in a job that just doesn't do it for you You see with every little hiccup in life you lose energy excitement and drive YOU LOSE YOUR SWAGGER These are the stories rarely discussed by the mainstream sports media stories that will empower your walk through life show you what mental toughness really means and give YOU a SWAGGER **Meet the Bible** Philip Yancey, Brenda Quinn, 2010-05-11 The story of the Bible starts with the simple statement In the beginning God created From

that first sentence of Genesis the story of salvation unfolds in strange and wonderful mingling of the commonplace and the miraculous the human and the transcendent But if you were born after the baby boom chances are the Bible seems more like an item of passing interest than a book of depth and meaning for the twenty first century If you re not familiar with the Bible it can be difficult to put into perspective the puzzle of kings and prophets giants and seven headed dragons shepherd boys and itinerant preachers Old Testament law and New Testament grace Meet the Bible introduces you to the full epic sweep of the Bible the characters the places the times the stories and the meanings of this Book of books and shows you that even the most obscure passage can hold relevance for your life once you understand what to look for Award winning writer Philip Yancey and author Brenda Quinn are your guides on this one year reading tour of the Bible Each day s reading includes Scripture contemporary commentary and questions for contemplation all designed to offer insight into how the passage fits into the overall story of the Bible and how it can speak to your life today Meet the Bible takes you through the twists and turns of the Bible s many narratives the high points and the low points the good characters and the bad as well as the eternal thoughts and descriptions of God and his Son Jesus Christ Here are stories to remember images of real people and circumstances closer to your own life than you ve ever imagined By the time you ve finished the year s worth of reading you ll have gained a panoramic view of the whole Bible and a firm understanding of its ideas and teachings If you ve never read the Bible or hardly know the Bible or would just like to read the Bible in a fresh new way Meet the Bible offers an inspiring mix of timeless wisdom and contemporary insight that will cause faith to ignite within you Direct excerpts from Scripture give readers a panoramic tour of the Bible s key passages personalities events and ideas as the Old Testament sweeps into the New Testament Culturally relevant commentary from Quinn and Yancey sheds light on each day s passage examining the twists and turns of the Bible s many narratives the high points and the low points the good characters and the bad as well as the eternal thoughts and descriptions of God and his Son Reflections every five days provide life application for the week s Scripture readings

Christianity and Rabbinic Judaism Jonas E. Alexis, 2011-12 The simple step of a courageous individual is not to take part in the lie One word of truth outweighs the world Alexander Solzhenitsyn In this penetrating and provocative work Jonas E Alexis challenges common assumptions about the relationship between Christianity and Rabbinic Judaism and provides compelling evidence from history and theology that demonstrates the extent to which modern Judaism has been defined by the Pharisaic and Rabbinic schools of thought As Alexis meticulously documents there has been a constant struggle between Christianity and Rabbinic Judaism since the time of Christ a struggle that will define the destiny of the West Islam according to Christianity is a historically and theologically false religion since it denies both Jesus s deity and His work of salvation at the Cross But Rabbinic Judaism Alexis argues is equally false and in many respects more dangerous to Christianity and the West than Islam since at its root Rabbinic Judaism wages war against the Logos the system of order in the world embodied by Christ In this painstakingly scholarly yet readable work Alexis maintains that Rabbinic Judaism

defined by the Pharisaic teachings now codified in the Talmud that Jesus sought to correct is a categorical and metaphysical rejection of Christianity a rejection that has had and will continue to have severe implications for Western culture intellectual history and theological exegesis

Right on Top Ronnie Ruff,2020-03-06 What is your greeting Do you have one specific to all occasions What does it say about you and the way you view your life experiences Right on top is the characteristic greeting of the author defining his mind set for the early start of each day Our word of greeting flows from our lips as words and ends up flowing from the tip of our fingers as actions regarding everything we do This book examines nine areas of importance in his life with helpful encouragement to others to replicate his daily experience heritage balance rules success heroes posterity wife work God When an old man dies a library burns The challenge presented in his book is for the reader to examine the important things in life and share their experiences before the library burns The author s hope for the many who consider themselves only average is that they would rise up to a new level of living that they might regard every day as a gift and approach every situation as a giver that the biblical concept of salt and light would become a daily reality and at the end of the day when all has been considered they might conclude that the best description of their time here on earth could be summed up in three simple words right on top
