Freedom and Indigenous Constitutionalism John Borrows,2016-05-12 Indigenous traditions can be uplifting positive and liberating forces when they are connected to living systems of thought and practice Problems arise when they are treated as timeless models of unchanging truth that require unwavering deference and unquestioning obedience *Freedom and Indigenous Constitutionalism* celebrates the emancipatory potential of Indigenous traditions considers their value as the basis for good laws and good lives and critiques the failure of Canadian constitutional traditions to recognize their significance Demonstrating how Canada s constitutional structures marginalize Indigenous peoples ability to exercise power in the real world John Borrows uses Ojibwe law stories and principles to suggest alternative ways in which Indigenous peoples can work to enhance freedom Among the stimulating issues he approaches are the democratic potential of civil disobedience the hazards of applying originalism rather than living tree jurisprudence in the interpretation of Aboriginal and treaty rights American legislative actions that could also animate Indigenous self determination in Canada and the opportunity for Indigenous governmental action to address violence against women

Aboriginal Peoples in Canada James S. Frideres,James Frideres,René R. Gadacz,2005 *Aboriginal Peoples in Canada* eighth edition provides a current comprehensive introduction to Native Studies Using both the majority and minority perspectives it chronicles the changes that have taken place over the past century and how they have impacted upon Canadian and Aboriginal Peoples The goal of the authors is to provide a critical interpretation of the events that have shaped Aboriginal Euro Canadian relations and that thus have formed the structure of Canadian society With updated statistical material recent research in Native studies and expanded sections on the most relevant contemporary topics this text offers a good balance between social and cultural issues as well as historical legal and theoretical material for students in the field of Aboriginal First Nations and Native Studies pub description 2008 ed [The Indigenous World](#) ,1994
