Capitalist Nigger Book:

Capitalist Nigger Chika Onyeani, 2012-03-27 Capitalist Nigger is an explosive and jarring indictment of the black race. The book asserts that the Negroid race as naturally endowed as any other is culpably a non-productive race, a consumer race that depends on other communities for its culture, its language, its feeding, and its clothing. Despite enormous natural resources, blacks are economic slaves because they lack the devil-may-care attitude and the killer instinct of the Caucasian as well as the spider web mentality of the Asian. A Capitalist Nigger must embody ruthlessness in pursuit of excellence in his drive towards achieving the goal of becoming an economic warrior. In putting forward the idea of the Capitalist Nigger, Chika Onyeani charts a road to success whereby black economic warriors employ the Spider Web Doctrine, discipline, self-reliance, ruthlessness to escape from their victim mentality. Born in Nigeria, Chika Onyeani is a journalist, editor, and former diplomat.

Capitalist Nigger Chika Onyeani, 2025-11-02 Provocative, daring, acerbic but truthful Capitalist Nigger exposes the endemic frailties that debilitate and dehumanize the Black race into dependency, complacency, low esteem, and inaction as if these were divinely ordained. Onyeani's tirade is angry but affectionate; it is a tongue-lashing but genuinely concerned about the fate of his race. As usual in life, this kind of truth scathes the ears. After all, charity begins at home with one's own race. Dr. Michael C. Malherbe, Professor Chair, Africana Studies, Humanities Department, Hostos Community College of the City of New York. This is a book of passionate outrage and collective self-reproach. The beginning of self-reform is self-criticism. This author manifests a combination of anguish, anger, and patriotism. Ali A. Mazrui, D. Phil. Oxon, Albert Schweitzer Professor in the Humanities, Director of Global Cultural Studies, Binghamton University. Capitalist Nigger excels as an explosive and jarring indictment of the Black race. The book asserts that the Negroid race as naturally endowed as any other is culpably a non-productive race. The Black race is a consumer race and depends on other communities for its culture, its language, its feeding, and its clothing. Despite enormous natural resources, Blacks are economic slaves because they lack the devil-may-care attitude and killer instinct of the Caucasian as well as the spider web mentality of the Asian. Capitalist Nigger contends that only as Economic Warriors employing the Spider Web Economic Doctrine can the Black race escape from their victim mentality. *Capitalist Nigger* Chika Onyeani, 2006

Omotayo Olaniyan, Femi Aribisala, 1994 Rural Development John Harriss, 2023-08-18 Originally published in 1982, this book provides an important set of basic materials for students of rural development. Key papers have been chosen and arranged, and the editor has provided a general introduction and passages that link the papers, alerting the student to rival theoretical interpretations and to regional parallels and contrasts. The book provides a basis for the analysis of the processes that make rural societies and economies what they are and substantially determine the changes that take place within them. The papers help the reader to understand the nature of the phenomena with which rural development has to

deal and in doing so to begin to evaluate the interventions of agencies and planners
