30 Dr. D. K. Olukoya, 2019-09-18 In three glorious decades Mountain of Fire and Miracles Ministries has carved an indelible niche for itself among the comity of churches worldwide. It has come to be known as a pacesetter church, bestriding the firmaments of Christendom like a colossus. The church's thirty-year journey so far has been filled with landmark events: phenomenal global expansion, as well as unrivalled far-reaching impacts on the body of Christ and mankind as a whole, than any other church today. The remarkable achievements, enviable heights, iconic status, and positive global recognition that MFM enjoys today is attributable to the complete obedience, unwavering faith in God, and unusual steadfastness of its Founder and General Overseer, Dr. D. K. Olukoya, the Elijah of our time and God's Generalissimo in the end times. This book glorifies the Almighty God who has demonstrated His power to save to the uttermost. It celebrates God's faithfulness in the life of Dr. D. K. Olukoya, the unusual outworking of His grace and power in MFM's three-decade journey, as well as the phenomenal achievements, fire exploits, and global spread of this unique church of God. Glory be to the God that answers by fire. Hallelujah.

Transcripts of the Sacred in Nigeria Nimi Wariboko, 2023-06-20 Transcripts of the Sacred in Nigeria explores how the sacred plays itself out in contemporary Africa. It offers a creative analysis of the logics and dynamics of the sacred, understood as the constellation of possibilities available to a given community in religion, politics, epistemology, economic development, and reactionary violence. Using the tools of philosophy, postcolonial criticism, political theory, African studies, religious studies, and cultural studies, Wariboko reveals the intricate connections between the sacred and the existential conditions that characterize disorder, terror, trauma, despair, and hope in the postcolonial Africa. The sacred, Wariboko argues, is not about religion or divinity but the set of possibilities opened to a people or denied them, the sum total of possibilities conceivable given their level of social, technological, and economic development. These possibilities profoundly speak to the present political moment in sub-Saharan Africa.

Political Pentecostalism Leandro L. B. Fontana, Markus Luber, 2021-08-13 The last decade has witnessed fundamental shifts in the relationship between religion and politics. In this light, religious symbols, motifs,

justifications and practices are increasingly noticeable in political discourses as well as agendas particularly in the Global South with Pentecostal Christians standing out as salient actors Performative practices enacted in political contexts such as the anointing of state authorities prophecies warfare prayers etc have drawn the attention of numerous scholars worldwide The four surveys contained in this volume account for these developments in Africa Asia and Latin America and synoptically engage with the following question Can any meaningful nexus connecting multiple and apparently isolated nodes of Pentecostal engagement in the political sphere around the globe be identified In addition they do the groundwork for drawing parallels on a global level on the basis of which new light can be shed on fundamental changes in Pentecostal actorhood and self understanding Thus local developments and ethnographic studies are for the first time reflected upon from a global perspective *Desire Life Now* Vera Bonse,2020-08-27 *Desire Life Now* depicts my life struggles my mistakes my weaknesses disappointments betrayals rejections and dealings with family foundations my triumphant journey in the discovery of myself my purpose and destiny in the midst of all the chaos My overcoming to become the person I am today came with me finding God who is reflected and manifested in my image as I am his child Prayer Rain Dr D.
