"The Cat"

Why? Everybody seems to be making a cat.

That? That? Ah, of you!

How does one become a cat?

Why? It's obvious! For a cat get!

A cat get I see. A good fit looking one upon a picture-child!

That's what you call me!

I wonder, I think, I wonder if my young master see.

The kitten, will I could ever ask, if I have see.

Yes, for a cat get, for when we are young!

That? That? You are my good parent!

My good older brother and sister in the country about I live!

Look... look at me... What have you done to me?

You have purr-purr and purred me, captured me when I needed you

and!

Enclosed me in a cage, when intelligence has made from the world!

While you go about your parties, your meetings and painting scenes...

This... I did not even know you!

Longing for a letter's line... waiting for a mother's care!

As I grow up, everything changes!

How can I be changed?

The great excitement in your plans, arrangements, here and right there.

You are based on the headlines of the newspaper or events, problems and

advertisements.

Now, you call me names, accuse me of everything I do in regard!

Oh, no! How good we are!

If you really wish to know my heart...

Then hurry... hurry, hurry, hurry! When I meet you, because I need you...

Protect me from all evil influences that will threaten at my very best

understanding.

But it's no fun, really bad... then, you're got to help me!

Help me! Oh please... help me!

Declamation Piece

Declamation Piece:

Options Ii Tm' 2005 Ed. , Aesthetic Teaching Pedagogies Reynaldo B. Inocian,2018-10-09 This book presents an assortment of teaching and assessment strategies appropriate for 21st century learners based on the author s 25 years of teaching experience in private and state school institutions in the Philippines It highlights the outcomes based assessment of learning the curriculum basics for arts based teaching learning activities based on the integrated arts for an effective instructional process and examples in the teaching of critical thinking communication collaboration and creativity known as the Four Cs While the monograph focuses on the author s local context a plethora of citations provides clear connections that address learner diversity in recent global education contexts The text is a useful guide for students who want to pursue a degree in teaching as well as novice and expert teachers university professors and advocates for teaching and learning

Classical Literature Richard Jenkyns,2015-01-29 Any list of the six greatest European poets would include Virgil Aeschylus and Homer A recent history of philosophy named Aristotle and Plato as two of the world s four greatest philosophers The greatest historian of all is likely to be Thucydides Why was Ancient Greek and Roman literature so great Sweeping across a thousand years acclaimed professor Richard Jenkyns provides a lucid and lively introduction to the foundation of all Western literature As Jenkyns shows us the Greeks were masters of invention they pioneered nearly all the major literary forms including epic poetry tragedy comedy and history The Romans like us already felt in the shadow of Greek literature and as Jenkyn puts it they first invented imitation In short engaging chapters Jenkyns illuminates the most enduring and influential works of the classical world from the Homeric epics to the golden age of Latin poetry and explores their unparalleled and continuing influence on Western literature

Dynamic Speech Iv ' 2008 Ed. , **Civil War America** James A. Marten,2003-04-04 A revealing compilation of essays documenting the effects of the Civil War and its aftermath on Americans young and old black and white northern and southern Civil War America Voices from the Homefront describes the myriad ways in which the Civil War affected both Northern and Southern civilians A unique collection of essays that include diary entries memoirs letters and magazine articles chronicle the personal experiences of soldiers and slaves parents and children nurses veterans and writers Exploring such wide ranging topics as sanitary fairs in the North illustrated weeklies children playing soldier and the care of postwar orphans most stories communicate some element of change such as the destruction of old racial relationships the challenge to Southern whites complacency and the expansion of government power Although some of the subjects are well known Edmund Ruffin Louisa May Alcott Henry Cabot Lodge Booker T Washington most of the witnesses presented in these essays are relatively unknown men women and children who help to broaden our understanding of the war and its effects far beyond the front lines
