Training For Ushers Nylahs:

Shipmate ,1961 **How to be a GREAT Church Usher** Madge Obaseki,2017-09-30 How to be a GREAT Church Usher is an easy to use exciting workbook It contains Teaching Plans Guidelines and an Evaluation Form Student Handouts Diagrams and Exercises Perfect for anyone new to ushering or to refresh those who might be a little jaded It s underpinned by biblical principles including conflict management *Ushering with a Mission* VICTOR L. DAVIS,2012-10 As we enter our church the first person we often see is the usher While many may look at the position of usher as simply a social one it can be so much more In *Ushering with a Mission* author Victor L Davis presents the first comprehensive guide specifically addressed to the needs of the usher The traditional approach to ushering focused on the task of meeting seating and greeting worshippers The typical training manual addressed techniques ushers should use in carrying out those duties Davis s *Ushering with a Mission* goes a step further and emphasizes the importance of disciplining the individual usher Ushering is viewed as a ministry rather than a committee or board activity The ministry of ushering is approached from a Christ centered biblical perspective Ushering is not something we simply do because It s our Sunday to usher We do it because it is a lifestyle resulting from the overflow of the Spirit filled life *Ushering with a Mission* stresses the importance of Bible study prayer and personal evangelism with nonbelievers Ushers will find fellowship with other believers in the Body of Christ as they explore ways to fulfill the great commission and commandment of our Lord and Savior Jesus Christ **The Ushers, Protocols And Greeters That Every Church Needs** Albert O. Aina,2018-05-19 I started writing this book in 1994 That was the year the LORD graciously commissioned me to raise for Him Quality leaders I started with Ministers and Pastors workshop Training for ushers was the second assignment I handled among the three fold mandates the LORD gave me in 1994 But no book was written by me back then neither did I come across any specialized book on Ushers Greeters and Protocols in one volume 20 years ago I have been privileged to conduct Training courses across the length and breadth of Nigeria on Ushering ministry for 20 years I have interacted with over 400 churches from over 280 denominations in conferences and seminars but I never wrote a book on this topic Our outfit Christian Leadership Skills have been involved in mass training for ushers in churches that counted 120 000 on Sundays with Ushers workforce of about 4 000 I have written 36 books todate but none on Ushers Protocol and Greeters until now A particular mega church invited us to deliver training for ushers and crowd controllers twice within three months in their headquarters church Their invitation came a bit late I could not be there physically I didn t have a book on Ushers or crowd control Only a manual Churches get confused on the role of ushers as different from protocol officers I have witnessed ushers and protocols fight for territories in churches A particular church head usher insists that he must stay side by side with the protocol officer by the altar very close to the anointed There was no book to show where each belong A particular ministry scrapped the word Ushers from the list of ministries The General Overseer banned the entire ushers from officiating in the length and breadth of the church His reason Brethren have the Holy Spirit to direct

them No need for Ushers and the church went on smoothly thereafter I had no book to give to the man of God No book I could give until 20 years later Who are Ushers Who are Protocol officers Who are Greeters Who are Traffic Controllers I didn't write any book to explain I only explain during workshop session Now the explanation has become handy Guide for Ushers and Greeters Karie Ferrell,2008 Guide for Ushers, Greeters, and Ministers of Hospitality, Second Edition Katie Ferrell,Corinna Laughlin,Paul Turner,Thomas P. Welch,2021-07-10 Ushers and greeters ministers of hospitality are vital to parishes so they need strong formation to comfortably and graciously respond to the needs of everyone who comes through the doors of your church Solid training helps them become models of hospitality for the whole parish This guide helps you train new and returning ministers of hospitality by providing knowledge skills and attitudes that are practical theologically and liturgically informed and spiritually inspiring With its new title design and added content this revised edition is more helpful than ever To Fr Paul Turner's foundational chapters on the meaning and history of the ministry and on the ministry's spiritual dimensions a brief chapter on the liturgy by liturgist Corinna Laughlin has been added To Karie Ferrell's practical and wise advice on the many detailed duties of the ministry psychiatrist and spiritual director Thomas Welch has contributed some additional perspectives Updates to frequently asked questions the annotated list of recommended resources and the glossary have added yet more value to the book and questions for reflection and discussion continue to accompany each chapter Let this guide help you open wide the doors of your church so that it can be as Pope Francis has called for a spiritual field hospital for our needy world This guide includes Theological and historical reflections on the liturgy and the ministry Practical skill building and advice for serving in this role Ways to deepen your spirituality and call to discipleship Answers to frequently asked questions Recommended resources A glossary Questions for discussion and reflection **Ushering with a Mission** Victor L. Davis,2004-07 Although this training manual seeks to address the proper protocol to be employed while the usher carries out his or her duties Davis emphasizes the importance of ushering from a Christ centered biblical perspective Church Administration Pastoral Resources **The Usher's Manual** Leslie Parrott,1970 From the perspective of a veteran pastor and communicator Dr Leslie Parrott describes the function of the usher and provides practical and Scriptural guidelines on how this vital role in the church may be carried out with grace and efficiency *Study and Revision of Sangamon Auditorium's Volunteer Usher Training Program and Materials* Jamie R. Gwaltney,2001 **Welcome to Our Church** Annette Schroeder,Concordia Publishing House,2014-10 When is the best time to seat latecomers How can I be friendly toward visitors without appearing overzealous What do I do if someone faints during the worship service It's only natural as an usher or greeter to have questions like these You can find the answers to these questions and more in this book It enables ushers and greeters to make the church service more meaningful and memorable Find out how to Make visitors and members feel welcome Handle large crowds of people and noisy children Prepare for emergencies and problem situations Usher at special services such as weddings and funerals This booklet is ideal for training new ushers and greeters
