At least 50% of places will be reserved for applicants completing the NSC or equivalent.

Bikram Prospectus 2017

Bikram Pattanaik

Ump Prospectus 2017:

The Umpire Was Blind! Jonathan Weeks, 2020-06-15 In the words of former American League umpire Nestor Chylak umpires are expected to be perfect on the first day of the season and then get better every day Forced to deal with sullen managers and explosive players they often take the blame for the failures of both But let s face it umpires are only human For well over a century the fortunes of Major League teams and the fabric of baseball history itself have been dramatically affected by the flawed decisions of officials While the use of video replay in recent decades has reduced the number of bitter disputes many situations remain exempt from review and are subject to swirling controversy In the heat of the moment mistakes are often made sometimes with monumental consequences This book details some of these more controversial calls and the men who made them

Urban Development and Planning Bikram Pattanaik, 2025-03-20 This book details the most contemporary concerns related to urban development governance and planning as well as the challenges to urban administration It analyses the policies and programmes adopted by both high income and lower middle income countries to achieve sustainable urbanization and their application and treatment to help students get a holistic practical perspective of the issues at hand This volume elucidates urban development theories and approaches coupled with urban planning local government finance urban management and urban governance It also discusses urban issues and challenges such as education health waste management land use planning housing and transport Critical concerns related to urban water bodies open spaces urban heritage and smart cities and urban future are similarly addressed This book will be useful to students researchers and teachers of urban planning and architecture urban sociology economics geography environmental science and public administration It shall also be useful to NGOs parastatal bodies and trainers of urban planning and development Planners policymakers functionaries and elected representatives of urban local bodies may also use this book as a capacity building instrument
